

List of Marginable and Borrowable Securities, Margin Requirements and Margin Rates / Список маржинальных и заемных ценных бумаг, маржинальные требования и процентные ставки за пользование маржинальным кредитом

Without prejudice to the interest rates listed herein, this list of marginable/borrowable securities is not binding for BCS and may be amended from time to time at BCS sole discretion. The securities listed herein are marginable/borrowable at the moment of uploading this list to BCS web-site. The client must contact BCS directly before entering into a margin transaction to confirm, whether the specific security is marginable and/or borrowable. / Без ущерба для действительности процентных ставок, указанных в настоящем документе, настоящий список маржинальных и заемных ценных бумаг не является для БКС обязывающим документом и может быть изменен БКС по своему усмотрению. Ценные бумаги, упомянутые в настоящем списке, являются маржинальными/заемными в момент публикации настоящего списка на веб-странице БКС. Клиент обязан связаться с БКС напрямую до совершения маржинальной сделки для того чтобы узнать, является ли конкретная ценная бумага маржинальной и/или заемной.
