¹ Commission for mandatory closure of Client's position is equal to 0.1% of the closing position's turnover.

² BCS is entitled to terminate the provision of access to E-Facility (as defined in the Schedule B: Electronic Services) in case your aggregate balance at the beginning of the trading day preceding the last business day of any given month becomes lower than USD 100 (or equivalent in other currency), whereas such calculation of aggregate balance shall not include structured products (as defined in Schedule I: Structured Products) and securities with no market value.

General Provisions:

Effective Date: the date of application for the subscription for the tariff plan.

Minimum Value of Client's Assets required to subscribe for the tariff plan: USD 7,000.00 or its equivalent in other currency.

If on the last trading day of the reporting month the Value of Client's Assets is less than USD 7,000.00. BCS may at its own discretion change the tariff plan to "BCS Professional" from the first day of the month following the reporting month.

If Client does not wish to move to BCS Professional, Client may choose any other tariff available in accordance with BCS Fee Schedule.

If at any time after the Effective Date the Value of Client's Assets becomes less than 75% of its level as of the Effective Date, BCS may suspend the provision of services to Client until the Value of Client's Assets exceeds 75% of the Value of Client's Assets as of the Effective Date.

Value of Client's Assets means a sum of Client's funds and securities, where Client's funds shall mean any funds available on Client's account with BCS less any amounts due under the transactions

of Client and any amount of collateral under the derivative transactions and other transactions of Client, and Client's securities shall mean the value of any securities available on Client's account, except for those reserved for settlement of Client's transactions and those forming part of collateral under derivatives or other transactions, as of the end of trading.

Any securities of Russian issuers shall be valued at the price of the last purchase trade at the close of a trading as provided by the relevant market operator. Any other securities shall be valued at the price of the last trade at the close of trading as provided by the relevant third parties in accordance with agreement and/or by the Bloomberg information system.

The Volume of Transaction means the product of multiplication of price by the amount of securities under the transaction.

All commissions and fees specified herein below are exclusive of exchange fees, ECN fees, other fees, duties and taxes whatsoever, connected with execution of the Order and/or transaction and they shall be paid by Client additionally. BCS shall charge a commission for the revocation of any Client's instruction for transfer of non-Russian securities in the amount of 12 EUR.

	> 200 000 000	0,002 %				
	Monthly commission, RUB					
Moscow Exchange, FX Market, swap transactions	RUB 118 per month					

¹ This Tariff relates to trading on Russian currency market.

² Commission for mandatory closure of Client's position is equal to 0.1% of the closing position's turnover.

General provisions:

Fees for the reception and transmission of clients' orders on the FX Market of Moscow Exchange submitted through the electronic system is charged as a percentage of the Daily Turnover.

For the purposes of this Tariff plan the Daily Turnover means an amount of all transactions (except for swap transactions) executed on the Moscow Exchange's FX Market during a trading day.

Fees for the reception and transmission of clients' orders on the FX Market of Moscow Exchange submitted by phone is charged in the form of a fixed fee per Order depending on the Order amount.

For the purposes of this Tariff plan the Order amount means an amount of Client's order for entering into a transaction for the purchase or sale of ONE financial instrument with the ONE settlement date on the FX Market of the Moscow Exchange.

Where a volume of an order for entering into a spot transaction on FX Market of Moscow Exchange **is less than 50 lots**, the fees for the reception and transmission of such order shall be charged at a fixed rate of RUB25 (VAT included) less the amount of settlement commission, provided that the minimum amount of such fees shall be zero.

Where a volume of an order for entering into a swap transaction on FX Market of Moscow Exchange **is less than 50 lots**, no fees shall be charged.

The commission for the reception and transmission of client's orders for entering into swap transactions on the FX market of Moscow Exchange shall be debited by BCS from Client's account on the date when the first transaction during the period is entered into.

The commission of BCS charged hereunder, **does not include any fees, commissions, charges of exchanges, including fees for the provision of integrated technology services, and fees, commissions, charges of clearing organizations.**

4. **Tariff plan "Internet-Bank"**¹

Market	Daily Fee, RUB	Minimum Fee	Swap transactions fee ²	Other fees & expenses

QUIK MR "Broker" ²	110
TradingView	Free of charge

¹ BCS shall debit Client's account for a monthly maintenance fee on the first business day of the month or on a date a trading terminal has been connected.

² Additional service rendered in accordance with the Schedule B to the General Terms.

³ BCS is entitled to terminate the provision of access to E-Facility (as defined in the Schedule B: Electronic Services) in case your aggregate balance at the beginning of the trading day preceding the last business day of any given month becomes lower than USD 100 (or equivalent in other currency), whereas such calculation of aggregate balance shall not include structured products (as defined in Schedule I: Structured Products) and securities with no market value.

II. OTHER SERVICES

1. Securities held with National Settlement Depository

Type of Service	Fee (RUR)
Opening custody account	Free of charge
Internal and inter-depository securities transfers (excluding service fees charged by counter-party depository and re-registration fees)	150 per instruction
Inward/outward securities transfer to/out of the trading section of a custody account	Free of charge
Custody account maintenance (provided at least one account operation has been executed)	150 per month
Securities safekeeping	Free of charge

2. Securities held with Euroclear or DTC¹

Type of Service	Fee (USD)
Amending of an instruction ²	30
Non-trading instruction (excluding corporate actions) ³	25

¹ Excluding service related costs and/or payments to third parties such as banks, depositories, custodians, registers, etc. which BCS may incur and/or make acting on behalf of Client in accordance with the provisions of the custody services agreement and applicable market practices or otherwise, unless otherwise agreed by the Parties. BCS reserves the right to change these fees in case it bears higher costs due to changes in tariffs of institutions providing relevant services to BCS such as banks, settlement and clearing companies, etc.

² Fee is charged for each issue of securities.

³ Fee is charged for each issue of securities. In the absence of sufficient monetary funds for payment of the fee indicated above, the instruction for withdrawal of financial instrument(s) may not be accepted.

3. Maintenance of Client's portfolio held at Euroclear, DTC and other custody

3.1. Monthly portfolio maintenance fee shall be 0,0125 % of total market value of all Financial Instruments held with Euroclear, DTC and other custody at the end of the month denominated in U.S. Dollar.

3.2. Monthly Eurobonds maintenance fee shall be 0,0125 % of total market value at the end of the month, but if there are no quotes for the last 30 days from the settlement date or there were none at all, the settlement is based on the nominal value of the securities.

4. Security lending rates¹ for permission to use assets

The annual fee for the use of assets is 0.05% of the market value of all used customer assets, paid daily at 0.05% / 365 (366 in the case of a leap year)

¹ If Client gave permission for use of assets, but BCS did not use them security lending rates shall not be paid to Client.

5. Extra Services

Type of Service	Fee ¹
Assistance in depositary receipts issuance /cancellation (including change of level)	0.2% of the market value of converted securities ² (100 USD minimum fee, 500 USD maximum fee)
Processing of application in respect of participation in corporate actions (incl. buy-back, subscription offer, preemption right, mandatory/voluntary tender offer, voting on General Meeting) ³ .	0.1% of the amount of transaction ⁴ , if applicable (but USD 250 min)

¹ All fees are exclusive any and all necessary payments made by BCS to third parties. Client hereby guarantees to BCS full reimbursement of any such payment.

² For this purpose market value shall be calculated on the closing price of the previous trading session on an organized market where the securities are normally traded.

³ Fee shall be charged at the moment client's application to participate in corporate action is processed by BCS. BCS reserves the right to suspend processing of application to participate in corporate action in case of insufficient funds to charge the fee until the account replenishment. If actions specified in Client's application are not performed because of reasons or circumstances outside BCS' control (including, but not limited to, absence of necessary quorum, or consent, cancellation of action by an agent, etc.) fee charged is not subject to return.

⁴ Amount of transaction shall be calculated: in case of a buy-back or tender offer – as a price multiplied by quantity of securities (excluding accrued interest); in case of an exchange offer – as a market value of securities credited to the account In case there is no credit of cash or securities resulting from Corporate Action according to its terms, the amount of transaction is calculated as a market value of securities mentioned in Application to participate in Corporate Action.

Market value shall be determined by BCS based upon the closing price of the previous trading session on an organized market or OTC market quotations depending on where the securities are normally traded. In case there is no market value available nominal value is applied. In case there is no market and nominal value - USD 250 (min fee) shall be charged.

6. Transfer of Monetary Funds from the accounts of third parties (LEK Securities Corporation, Sova Capital Limited (Otkritie Capital International Limited), R.J.O'Brien)

Third Parties' Name	Fee
---------------------	-----

LEK Securities Corporation	15 USD for each transfer ¹
Sova Capital Limited ²	25 USD for each transfer ¹
R.J.O'Brien ²	25 USD for each transfer ¹

¹Exclusive of any bank charges which are paid by Client additionally.

²Should the currency of such transfer differ from U.S. Dollar, the amount of fee due to BCS remains the same, but it should be converted into the currency of transfer at the CBR exchange rate in effect as at the transfer date.

7. Currency exchange for trading in financial instruments

Volume (USD)	Volume (EURO)	Volume (RUB)	Commission(%) ¹
< 200,000	< 200,000	< 7,000,000	0.05
200,001 – 600,000	200,001 – 600,000	7,000,001 – 20,000,000	0.03
> 600,000	> 600,000	> 20,000,000	0.01

¹ Exclusive any bank and associated charges which shall be paid by Client additionally.
