

SECTION A: GENERAL TERMS

1. Application and Scope

1.1. These Terms of Business for Professional Clients and Eligible Counterparties ('Terms' or 'Terms of Business') form standard agreement on terms and conditions applicable to the provision of investment and ancillary services and carrying on investment activities ('Services') between BrokerCreditService (Cyprus) Limited whose registered office is at 168 Makarios III Avenue, Geopyxis Center, Office 2, Limassol, Cyprus ('BCS') and any other entity (the 'Client') meeting the requirements provided for in these Terms (the "Parties").

1.2. BCS is authorised by the Cyprus Securities and Exchange Commission (the 'CySEC') and regulated by the CySEC to provide investment and ancillary services and conduct investment activities under the Investment Services and Activities and Regulated Markets Law of 2007, as amended from time to time (the 'Law'). In these Terms BCS operates within the scope of BCS Cyprus Investment Firm Authorisation no. 048/04, issued by the CySEC on October 8, 2004, and authorisation issued by the CySEC on August 17, 2012 in respect of rendering a service of reception, transmission and execution of client's orders for entering into transactions in foreign currency (Foreign Exchange Spot Trading), as from time to time amended (the 'License'). The English version of the License is available on www.bcscyprus.com.

1.3. These Terms shall take effect as of the date on which BCS commenced rendering Services to the Client. By conducting business with BCS, the Client agrees and accepts these Terms. These Terms will apply to any and all Services and/or transactions, including securities financing transactions which BCS may carry on with or for the Client in accordance with these Terms (the 'Transaction'), subject to the terms of any other agreement relating to any specific business or Transaction between the Client and BCS.

1.4. BCS will notify the Client of any material changes to these Terms by posting updated versions of the Terms on www.bcscyprus.com and unless BCS notifies the Client otherwise, any such amendment shall take effect after 10 (Ten) Business Days from the date of posting updated versions of the Terms, provided that no variation shall affect Transactions executed prior to or to the time of such variation.

2. Client Classification

2.1. For the purposes of the Law and based upon the information available to BCS, BCS has classified the Client as a 'professional client' or an 'eligible counterparty'. If the Client is classified as an 'eligible counterparty' in relation to any particular Service(s) and/or Transaction, certain of the statutory and regulatory protections will not apply. The rights in relation to the client classification are set out in the separate notice provided by BCS upon assessment of Client's classification.

2.2. Non-EEA clients warrant that any Transaction entered into with BCS is permissible under their relevant home state legislation.

2.3. By entering into this agreement the Client agrees to immediately inform BCS of any event affecting Client's ability to undertake and discharge its obligations hereunder.

3. Services

3.1. BCS may provide Services to the Client in respect of financial instruments listed on its License, that means receipt and transmission of orders, execution of orders on behalf of the Client, arrangement or making arrangements with a view to Transactions in financial instruments, safekeeping and administration of financial instruments for the account of the Client, including custodianship and related services such as cash/collateral management and provision of such other Services as BCS may agree from time to time provided that certain types of Services, such as investment advice may require additional written arrangements between the Client and BCS. BCS will, when providing Services to the Client, act honestly, fairly and professionally in accordance with the best interests of the Client.

3.2. To the extent that BCS is required by the Law to assess whether a Transaction, Service or product is appropriate for the Client, BCS will, for the purposes of any such appropriateness assessment, rely on the information that have been supplied to BCS by the Client. BCS shall be entitled to assume that in relation to any Transaction, product or Service where specific client instructions have been provided, the Client has the necessary level of knowledge and experience in order to understand the risks involved in the proposed Transaction, product or Service. BCS shall not owe to the Client any duty to advise as to the merits of the risks involved in any of Transactions. The Client shall make its own assessment of the Transaction and exercise its own judgment on the merits of the Transaction. In this regard the Client should note that if BCS merely explains the terms of an instrument or contract or its performance characteristics this does not of itself amount to advice on the merits of a Transaction in the financial instrument or on the legal or tax status or consequences.

3.3. In accordance with the Applicable Regulation and Market Rules (as defined below) BCS will determine whether to effect any Transaction with or for the Client as principal, as agent or partly as principal and partly as agent. The Client agrees to any Transaction may be made by BCS on behalf of the Client but in the name of BCS, in which case BCS will act on behalf of the Client as undisclosed principal. The Client further authorises BCS to act as agent for the Client being either identified or unidentified principal.

3.4. The Client may not engage in any type of Service until expressly authorised by BCS. BCS shall have the right to assign limits on any Transaction which the Client may carry with BCS or through BCS at any time, and, if communicated to the Client, require the Client to reduce Transactions carried with BCS or through BCS and shall also have the right to refuse to accept orders to establish new positions as a result of Client's orders, whether or not such refusal, reduction or limitation is required by Applicable Regulations.

3.5. All investments are subject to risk and the degree of risk is a matter of judgment and cannot be accurately pre-determined. BCS gives no warranty as to the performance or profitability of Client's account with BCS or Client's investments or any part thereof. The specific risk disclosures are set out in the Appendix 1.

3.6. BCS may delegate the performance of any of the Services to such person(s) as it may think fit. BCS may also employ such agents as it selects on such terms as BCS considers appropriate. BCS may, where BCS considers it appropriate, enter into clearing arrangements with clearing brokers or clearing members of a particular exchange. The terms of BCS clearing arrangements with such agents (including any exclusions or limitations of liability) will be binding on the Client and may be directly enforced against the Client by such agents.

3.7. BCS is authorised by the Client to do anything which BCS considers necessary or appropriate either to provide the Services (including but not limited to acting as Client's agent and delegating its authority as Client's agent to another) or to comply with any applicable laws or regulations.

3.8. BCS will not be responsible for the provision of any tax or legal advice in relation to the Services.

3.9. BCS will treat the Client as its client and save as expressly stipulated by the applicable laws or regulations or as BCS may otherwise agree, BCS has no obligation and accepts no liability to any other person for whom the Client may be acting as an agent, intermediary or fiduciary (whether or not the existence or identity of such person has been disclosed to BCS). Where the Client is acting in one of the aforesaid capacities on behalf of another or others, the Client represents warrants and agrees that:

- i. The Client has full power and authority to instruct BCS upon these Terms;
- ii. The Client has no reason to believe that such person(s) will not be able to perform any settlement obligation hereunder;
- iii. The Client has obtained and recorded evidence of the identity of such person(s) or any underlying principal of such person(s);
- iv. The Client will provide BCS with such information as BCS may reasonably require in relation to these Terms, including all information required to comply with all applicable anti-money laundering rules and regulations; and
- v. The Client will be liable to BCS jointly and severally with its principal in respect of all obligations and liabilities arising from Transactions effected on Client's instructions.

3.10. BCS will not be obliged to effect any Transaction nor do anything else which BCS reasonably believe would breach any Applicable Regulation.

4. Applicable Rules and Regulations

4.1. All Transactions shall be subject to:

- i. Laws, rules and regulations of the country where BCS and/or its agents carry out the Transactions under these Terms, as well as any other country's law, regulations and rules affecting Client's rights and liabilities in respect of the Transactions executed under the Terms or related to it (the 'Applicable Regulations');
- ii. Rules, regulations, customs and practices from time to time of any exchanges or other organisation or market, or third party involved in the execution of a Transaction and any exercise by any such exchange or other organisation or market, or third party of any power or authority conferred on it (the 'Market Rules').

4.2. If any Applicable Regulations and Market Rules shall hereafter be adopted or altered by any governmental authority, exchange or self regulatory organization which shall be binding upon BCS and shall affect in any manner or be inconsistent with any of the provisions hereof, the affected provisions of these Terms shall be deemed modified or superseded, as the case may be, by the applicable provisions of such Applicable Regulations and Market Rules and all other provisions of the Terms and provisions so modified shall in all respects continue in full force and effect.

4.3. BCS will use reasonable endeavors to give the Client a notice of alterations and/or adaptations of Applicable Regulations and Market Rules to the extent that BCS has actual knowledge of them in time of notification. BCS may take such actions or omit to take such action it reasonably considers necessary to ensure compliance with Applicable Regulations and Market Rules. BCS shall have no liability to the Client arising from alterations and/or adaptations of Applicable Regulations and Market Rules and its actions undertaken for the compliance with such alterations and/or adaptations.

4.4. The Client acknowledges that business on a market operated by an exchange, as well as its required clearing facility, may from time to time be suspended, restricted, closed or otherwise impeded. Any such action may result in inability of either BCS or the Client to enter into or otherwise effect Transactions. BCS will use reasonable endeavors to notify the Client of exchange impediment to the extent that BCS has actual knowledge of it in time of notification. If an intermediate broker or agent, acting at the direction of, or as a result of exchange impediment takes any actions which affect a Transaction, then BCS may take any action which in its reasonable discretion, considers desirable to correspond with such action or to mitigate any loss incurred as a result of such action. Any such action shall be binding on the Client and the Client shall remain fully liable for all losses resulting in whole or part from such actions and exchange impediments.

5. Order Execution and Client Handling

5.1. BCS shall offer execution pursuant to these Terms in accordance with the provisions of BCS Best Execution Policy. By instructing BCS under these Terms, the Client consents to Transactions being handled in accordance with BCS Best Execution Policy available on www.bcscyprus.com.

5.2. In order to give effect to client instructions, BCS may instruct a broker selected by it in its sole discretion which may be one of BCS Affiliates.

5.3. For the purposes of these Terms 'Affiliate' means in relation to any person, any entity controlled, directly or indirectly, by the person, any entity that controls, directly or indirectly, the person, or any entity directly or indirectly under common control with the person.

5.4. BCS accepts full liability for any default by any broker which is one of its Affiliates.

5.5. BCS undertakes to use reasonable care and skill in the appointment and supervision of any other broker and to make available to the Client and take such action on Client's behalf as the Client may reasonably request in relation to any rights BCS has against such broker. Subject to this BCS accepts no liability for any default of any broker, exchange, clearing house, market or depositary.

5.6. BCS may aggregate any order from the Client with the order of any other client and/or BCS Affiliate. Aggregation may operate on some occasions to the Client's disadvantage and on other occasions to the Client's advantage. BCS will not carry out a client order or a Transaction for its own account in aggregation with another client order if it is likely that the aggregation of orders and Transactions will work overall to the disadvantage of any client whose order is to be aggregated. BCS will allocate the proceeds of such orders among the participating clients in a manner which BCS believes to be fair and equitable in accordance with its order allocation policy. If the combined order is not executed at the same price BCS may average the prices paid or received and debit or credit the Client with the average net price. If BCS has aggregated Transactions for own account with one or more client orders BCS will not allocate the related trades in a way that is detrimental to a client. If BCS aggregates a client order with a Transaction for its own account and the aggregated order is partially executed, BCS will allocate the related trades to the Client in priority to BCS.

5.7. Where BCS is unable or considers it undesirable or inappropriate to execute a client order at once or in a single Transaction, BCS may execute it over such period as BCS deems appropriate and may report to the Client an average price for a series of Transactions so executed instead of the actual price of each Transaction.

5.8. BCS may undertake a programmed trade or trades comprising a single Transaction or series of Transactions on Client's behalf. In doing so BCS may act as principal or agent and upon Client's request will notify the Client in which of these capacities BCS is executing the Transaction.

5.9. The Client provides BCS with Client's express consent to execute its orders outside of a regulated market or multilateral trading facility ('MTF') and agrees that whenever the Client places an order with BCS, BCS shall be entitled at its absolute discretion and without reference to the Client, to select the venue for executing Client's order. Unless otherwise agreed by BCS, neither the venue it selects nor the costs or charges BCS may or may not incur in relation to any such Transactions will have any impact on the fees payable by the Client to BCS.

5.10. Where the Client places a client limit order in shares which are admitted to trading on a regulated market and that order is not immediately executed under prevailing market conditions, where the Client has provided consent, BCS may, but will not be required to, make public the order in a manner which is easily accessible to other market participants.

6. Notices, Instructions, Confirmations and other Communications

6.1. The Client or any person notified to BCS as being authorised by the Client may give BCS oral or written orders (instructions) concerning any Transaction or proposed Transaction or any other matter. BCS shall not be bound to act in accordance with the instructions of any person other than the Client including, without limitation, where the Client is acting as agent, any principal. Instructions shall not take effect unless actually received by BCS.

6.2. The Client may utilise, directly or indirectly, applications or electronic services for placing client instructions with BCS.

6.3. BCS shall be entitled to rely upon oral, written or electronic orders which it believes in good faith to have been given by an authorised person and shall be fully protected in acting upon any such instructions. The Client hereby waives any claim that any such orders was not in writing. The Client shall, on request, confirm any oral instructions in writing provided that BCS may accept and act on oral instructions prior to receipt of any written confirmation if they are given by a person who is or BCS believes in good faith to be an authorised person. BCS will have no liability in respect of any acts or omissions pursuant to such instructions if it does not seek or receive such written confirmation.

6.4. BCS and its agents may in their absolute discretion record telephone conversations with the Client or the Client's agents. Such recordings may commence without the provision of a warning tone and the Client agrees it will take all reasonable steps to inform its employees and agents that such recording takes place. BCS and BCS's agents' records of all instructions given by the Client or its agents by telephone shall be conclusive evidence thereof and such records shall be the sole property of BCS.

6.5. BCS shall accept client cash transfer and securities transfer orders including client instruction for 'delivery versus payment (DVP)' settlement within the following cut-off times:

EUR, GBP, RUR - 11.00 AM UTC (=14.30 MSK), Monday - Friday for value date 'today';

USD - 10.30 AM UTC (=14.30 MSK), Monday - Friday for value date 'today';

Other currencies -17.00 PM UTC, Monday - Friday for value date 'tomorrow';

Securities transfer orders - local shares T+1, other securities T+2.

6.6. The cut-off times set up for acceptance of client cash transfer and securities transfer orders may be altered by BCS due to public holidays in jurisdictions of the currency of settlement. The cut-off times may be further extended for a reasonable time to accept delivery or payment from third parties engaged by BCS to render the Services to the Client.

6.7. BCS will use reasonable endeavors to execute client cash transfer and securities transfer orders that are received by BCS within the cut-off times as indicated by the Client to BCS.

6.8. BCS shall send the Client statements of account (the 'Account Statement') and/or confirmations of Transactions (the 'Trade Confirmation') and/or publish Account Statements or Trade Confirmations on BCS website, if applicable, on the next Business Day following the trading day for any Transactions that BCS has executed with the Client or for the Client on that trading day, by electronic mail to the email address notified by Client or by such other means agreed between the Client and BCS. BCS agrees to provide the Client with hard copies of Account Statements or Trade Confirmations duly signed and sealed on behalf of BCS within reasonable time after notice is given by the Client requiring to do so. Save as otherwise provided herein, for the purposes of these Terms 'Business Day' means (a) any day other than Saturday, Sunday or a public holiday in the Republic of Cyprus on which commercial banks are open for business in Limassol; and (b) in relation to the payment of any sum denominated in Russian rubles, any day other than Saturday, Sunday or a public holiday in Russia on which commercial banks are open for business in Moscow.

6.9. All information addressed by BCS to the Client shall be fair, clear and not misleading.

6.10. Trade Confirmations will contain all essential information concerning the execution of the relevant instruction. Account Statements will contain full information on financial instruments and funds held by BCS for the Client and will include, where applicable, the costs associated with the Transactions and Services undertaken on behalf of the Client. More specifically, statements of account will contain:

- i. all the financial instruments or funds held by BCS for the Client at the end of the period covered by the statement, including the financial instruments or funds held by BCS for the Client at a Margin account;
- ii. the extent to which any client financial instruments or Client Funds have been the subject of securities financing transactions (Securities loans under section 18 (2) (i) of the Law or borrowings by BCS of any interest derived from the Clients' Funds held at a bank account with a third party);
- iii. the extent of any benefit that has accrued to the Client by virtue of participation in any securities financing transactions, and the basis on which that benefit has accrued.

6.11. In cases where Client Funds include the proceeds of one or more unsettled Transactions, the information on the Account Statement may be based either on the trade date or the settlement date, provided that the same basis is applied by BCS consistently to all such information in the Account Statement. The base currency for the purposes of Account Statements will be United States Dollars (USD), unless otherwise agreed.

6.12. If BCS has instructed an intermediate or third party broker on Client's behalf, the Trade Confirmation may be a copy of the confirmation sent to BCS or directly to the Client by the intermediate or third party broker. BCS may at the sole option of BCS, incorporate any Trade Confirmation into the relevant Account Statement.

6.13. Account Statements and/ or Trade Confirmations shall, in the absence of manifest error, be conclusive and binding on the Client, unless BCS receives detailed objection from the Client in writing within twenty four hours of dispatch or making such Account Statements and/ or Trade Confirmations available to the Client via BCS website.

6.14. It is responsibility of the Client to inform BCS of any change to Client's email address or the non-receipt of a Trade Confirmation and/or Account Statement.

6.15. Except as otherwise expressly provided in these Terms all correspondence, notices, certificates, margin calls and any other notices and communications will be sent or transmitted to the Client in accordance with Client's communication details to such address as the Client has notified in its account opening documentation. The Client shall immediately notify BCS in writing if there is any change in the information in the account opening documentation as provided at the time of account opening and thereafter, including the information on Client's authorised persons. The Client shall be fully liable and responsible for any and all acts done by a person who is or BCS believes in good faith to be an authorised person.

6.16. All communications will be deemed to have been received by the Client where BCS can demonstrate having sent or transmitted them.

6.17. References in these Terms to 'written' communications and communications 'in writing' include communications made through any electronic system for communication capable of reproducing communication in hard copy form, including email, unless otherwise agreed. The Client hereby acknowledges that the Client has sole responsibility for ensuring that only individuals designated to BCS as persons authorised to operate Client's account(s) with BCS have access to the email address(es) and that to the fullest extent permitted by applicable law BCS shall not be responsible nor liable for any unauthorised use thereof or for any losses sustained by the Client arising from or in connection with the use of the designated email address(es) or BCS' reliance upon and compliance with instructions and other communications received from the designated email address(es) or inaccuracies, errors or omission in electronic messages.

6.18. Where the Applicable Rules and Regulations to which the Client is subject provide for trades between the Client and BCS to be reported, then the Client assumes that trade reporting obligation for such trades unless the Client has been organised and validly existing within the European Union, in which case BCS or the Client will report the trades as provided for under the MiFID post-trade transparency regime.

7. Futures and Forwards Delivery, Liquidation Instructions, Exercise of Options

7.1. The Client is required to deposit sufficient funds in case of delivery intentions in case of having long positions in futures and forwards. If neither instructions, funds, nor documents are received, BCS without notice may either liquidate positions in futures and forwards or make or receive delivery on behalf of the Client upon such terms and by such methods which BCS deems feasible.

7.2. The Client is required to close out or roll-over to the next trading day before 14.45 p.m. (Moscow Time) all positions opened on the currency market with the settlement date 'today' so that Client's funds denominated in the settlement currency equal to or exceed Client's liabilities under Transactions of the relevant kind and if the Client fails to do so BCS may without notice liquidate or replace all or any of the Client's positions and for that purpose the Client authorises BCS to buy or sell currencies and/or enter into on-exchange swap contracts upon such terms as BCS deems appropriate.

7.3. If at any time the Client fails to deliver to BCS any financial instruments or funds in compliance with contracts previously sold by BCS on behalf of the Client or fails to deliver any financial instruments or funds in compliance with contracts, or BCS shall deem it necessary (whether by reason of the requirements of any exchange, clearing house or otherwise) to replace any financial instruments, contracts or other assets previously delivered by BCS for the Client's account with other financial instruments or assets of like or equivalent kind or amount, the Client authorizes BCS to borrow or to buy any financial instruments or assets necessary to make delivery thereof or to replace any such financial instruments or assets previously delivered and to deliver the same to such other party to whom delivery is to be made. BCS may repay subsequently any borrowing thereof with financial instruments or assets purchased or otherwise acquired for account of the Client. The Client shall pay BCS for any cost, loss and damage from the foregoing (including consequential damages and penalties) which BCS may be required to incur or which BCS may sustain from the Client's inability to borrow or buy any such financial instruments or assets.

7.4. The Client understands that exchanges have established exercise cut-off times for the tender of exercise instructions in relation to options and those options may become worthless in the event that the Client does not deliver instructions by such expiration time. The Client also acknowledges that BCS may establish exercise cut-off times that are earlier than the exercise cut-off times established by the relevant exchanges, and the Client shall have no claims against BCS arising out of the fact that an option was not exercised.

7.5. BCS is authorised, but has no obligation, to exercise any option on behalf of the Client that is 'in the money', where the Client has failed to provide instructions to BCS in a timely fashion, unless otherwise agreed. Where BCS or intermediate brokers do not specify a particular transaction when exercising an option, BCS may allocate in a way that seems to it to be most equitable.

8. Settlement

8.1. All business transacted between the Client and BCS will be carried out in accordance with the standard settlement practices and/or Market Rules of the relevant exchanges and for OTC trading, the standard settlement practices and/or Market Rules of the relevant home market, if applicable, unless agreed otherwise.

8.2. The Client is responsible for the due performance of every Transaction which BCS enters into with or for the Client and shall be responsible for any losses BCS incurs as a result of Client's failure to deliver appropriate settlement instructions to BCS or to the BCS settlement agent.

8.3. By placing the order the Client affirms that it will deliver the financial instruments or appropriate funds on or before the settlement date. For currency markets Client's funds will be deemed to have been made available for settlement 'today' (TOD) if credited to BCS before 14 p.m. (Moscow Time) and the same received by BCS after 14 p.m. (Moscow Time) will be deemed to have been credited 'tomorrow' (TOM).

8.4. If the Client fails to deliver the appropriate funds or financial instruments to BCS on the due date for settlement, BCS reserves the right, as appropriate, to exercise a sell-out of the relevant financial instruments or acquire alternative financial instruments by whatever means BCS determines in its absolute discretion. Where BCS does so, BCS obligation to deliver the financial instruments or pay the purchase price due will cease. The Client shall be responsible for any losses BCS incurs arising out of Client's non-performance or for any actions BCS takes as a result thereof. Where permitted to do so by any Applicable Regulations, BCS may effect a net settlement with or for the Client on its behalf.

8.5. BCS obligation to settle any Transaction, whether it is acting as principal or agent for the Client, is conditional upon the receipt by BCS or its agents on or before the due date for settlement of all necessary documents, financial instruments or funds due to be delivered by the Client or on behalf of the Client including, for the avoidance of doubt, settlement instructions.

8.6. If, in any Transaction BCS delivers financial instruments or funds to the Client or to Client's order at that time or subsequently and, for whatever reason, Client's obligations are not performed simultaneously with or prior to BCS obligations, the Client shall hold on trust for BCS any such financial instruments or funds received from BCS until Client's own obligations are fully performed.

BCS can in its sole discretion provisionally credit and debit Client's account on the due date of settlement ('contractual settlement date') regardless of the actual settlement date of the Transaction, including when under Applicable Regulations the Transaction has not settled in Client's favor or BCS' favor with finality.

8.7. BCS can, however, in its absolute discretion, reverse any such provisional debits and credits at any time until BCS receives payment (under relevant sale Transaction) or delivery (under relevant purchase Transaction) on Client's behalf with finality. In case of such a reversal, BCS shall not be liable to the Client in respect of income or any other rights relating to funds and financial instruments, which would have occurred if settlement had taken place on the contractual settlement date.

8.8. In some securities markets, delivery of financial instruments and payment cannot be made simultaneously. In such markets BCS shall perform delivery of financial instruments or make payment at such time and in such manner as provided in Applicable Regulations, market practice and/or Rules. The Client shall bear the risk that the counterparty to the Transaction may not pay or perform delivery in time or at all.

8.9. If complete settlement of a Transaction fails to take place on or after the contractual settlement date in accordance with the Market Rules and/or Applicable Regulations, whether because of a default by counterparty to that Transaction or otherwise, and the relevant credit and/or debit transaction is reversed by BCS, BCS shall notify the Client thereof.

8.10. BCS may, but is never obligated to, enter into give-up agreements with one or more broker-dealers, as specified by the Client. In respect of each Transaction given up to be cleared to a broker-dealer, BCS will (without prejudice to any claim BCS may have for commission or other payment) cease to be a party to the Transaction and will be released from any obligation to the Client contemplated thereunder from the moment the give-up has been accepted by the relevant broker-dealer.

9. Client Funds

9.1. BCS may settle Transactions on a 'delivery versus payment' basis; in consequence BCS will not hold Client's funds.

9.2. In case BCS holds funds on behalf of the Client ('Client Funds') BCS shall treat such funds in compliance with the Law and CySEC Directives on clients' funds.

9.3. In relation to Client Funds the following provisions shall apply:

- i. When holding Client Funds BCS will make adequate arrangements to safeguard the Client's rights and prevent the use of Client Funds for its own account, except in the case of borrowing by BCS of any interest derived from the Client's Funds held at a bank account with a third party to which the Client hereby expressly consents.
- ii. Unless otherwise agreed, BCS will not pay any interest;
- iii. BCS will keep such records and accounts as are necessary to enable it at any time and without delay to distinguish Client Funds held for one client from assets held for any other client, and from its own funds;

- iv. BCS will maintain its records and accounts in a way that ensures their accuracy, and in particular their correspondence to the funds held for the Client;
 - v. BCS will conduct, on a regular basis, reconciliations between its internal accounts and records and those of any third parties by whom Client Funds are held;
 - vi. BCS will on receiving any Client Funds, promptly place those funds into one or more accounts, denoted as 'clients' accounts and opened with a central bank, credit institution, a bank authorised in a third country or a qualifying money market fund.
- 9.4. Where BCS does not deposit Client Funds with a central bank, it will exercise all due skill, care and diligence in the selection, appointment and periodic review of the credit institution, bank or money market fund where the funds are placed and the arrangements for the holding of those funds. In doing so BCS will take into account the expertise and market reputation of such institutions or money market funds with a view to ensuring the protection of Client's rights, as well as any legal or regulatory requirements or market practices related to the holding of Client Funds that could adversely affect Client's rights.
- 9.5. BCS will take the necessary steps to ensure that Client Funds are held in an account or accounts identified separately from any accounts used to hold funds belonging to BCS.
- 9.6. BCS may allow another person, such as an exchange, a clearing house or an intermediate broker, to hold or control Client Funds where BCS transfers the Client Funds (a) for the purposes of a Transaction for the Client through or with that person; or (b) to meet Client's obligation to provide collateral for a Transaction (such as an initial, original, variation and maintenance margin requirement for a contingent liability investment).
- 9.7. BCS may pass Client Funds to an intermediate broker, settlement agent or OTC counterparty located outside the Republic. In such circumstances the legal and regulatory regime applying to such person(s) will be different from that of the Republic and, in the event of failure of such person(s), Client Funds may be treated in a different manner from that which would apply if the money was held by such person(s) in the Republic.
- 9.8. Where BCS deposits Client Funds with a qualifying money market fund, the units in that money market fund will be held in accordance with the requirements for holding financial instruments belonging to clients. The Client has the right to oppose the placement of its funds in a qualifying money market fund. If the Client does not want BCS to place Client Funds that it holds on Client's behalf into a money market fund, the Client should notify BCS in writing.
- 9.9. Any Client Funds held by BCS shall be subject to a right of set-off, lien or other security interest as set out in these Terms.
- 9.10. The Client agrees that BCS may cease to treat Client's money as Client Funds if there has been no movement on Client's balance for six years. BCS shall write to the Client at its last known address informing of BCS intention to no longer treat Client balance as Client Funds and thereafter give the Client 28 days to make a claim.

10. Collateral, Margin, Margin Call and Security Interest

- 10.1. Except for Transactions that have been fully paid for by the Client, the Client agrees to deposit and maintain in Client's account such funds and/or financial instruments in respect of margined transactions ('Margin') including, without limitation, initial, original, variation and maintenance margin together with any additional Margin in such amounts, at such times and in such form as required by BCS from time to time in its sole discretion. If BCS determines that additional Margin is required, the Client agrees to deposit such additional Margin upon demand (which, for the avoidance of doubt, may be required on an intraday basis). The Client acknowledges that Margin requirements established by BCS may exceed the Margin required of BCS by an exchange.
- 10.2. Where BCS receives Client's cash or financial instruments as collateral, margin or on the basis of any other security arrangement in connection with Transactions the Client grants to BCS a valid priority and fixed security interest in all of its assets held or controlled by BCS in respect of Client's liabilities and such arrangements confer upon BCS a right to use any such assets as BCS own assets, BCS will exercise such rights immediately upon receipt of such cash or financial instruments, without giving any further notice to the Client. Such assets, whether cash or financial instruments, received by BCS as financial collateral will or may be used by way of security in favor of BCS and/or its Affiliates for the purpose of securing or otherwise covering present, future, contingent, or prospective obligations arising from time to time. BCS shall bear its regulatory responsibilities to record and meet its future liabilities to repay such collateral or margin under the terms of the arrangements and the Transactions. Accordingly, such assets will not be treated as Client Custody Securities or Client Funds whilst under BCS control from the time that BCS receives them from the Client to the time that BCS returns equivalent assets to the Client and the assets shall be subject to the same terms of the arrangements as the original financial collateral. BCS shall only be obliged, subject to these terms and conditions, to transfer back to the Client equivalent collateral and not identical collateral. For the avoidance of doubt, any Client assets received by BCS as collateral shall be treated as 'financial collateral' pursuant to the provisions of the EU Directive 2002/47/EC on Financial Collateral Arrangements as applied by the Cyprus Financial Collateral Arrangements Law N. 43(I)/2004 (as amended by law N. 100(I)/2011) and by such Applicable Rules and Regulations. Where BCS exercises a right of use equivalent assets shall be treated as having been provided at the same time as the

original financial collateral was first provided. BCS agrees that when income is paid in relation to any securities which constitute collateral and which BCS has used pursuant to Clause 10.10 of this Section, BCS shall, promptly upon actual receipt of such income, pay and deliver a sum of money or property equivalent to such income to the account of the Client provided that any income so paid or delivered shall be subject to the same terms of the arrangements as the original financial collateral. Where any voting rights fall to be exercised in relation to any such securities BCS shall not be obligated to arrange for voting rights of that kind to be exercised by the Client directly and the Client hereby authorises BCS to exercise those voting rights for the Client in any manner BCS deems feasible or appropriate, unless otherwise agreed.

10.3. At BCS sole discretion and upon Client's request BCS may provide the Client with loans in the form of cash or financial instruments with the purpose to deposit and maintain collateral as may be required from time to time, including under derivatives trading terms (such as the terms for the options and futures transactions and others) or otherwise.

10.4. The Client acknowledges and agrees that any order given by it for the purpose of Clause 10.3. above when there are insufficient funds or financial instruments in Client's account shall be deemed as a loan request. As such, the Client acknowledges and agrees that such request and BCS acceptance and execution thereof using available cash or financial instruments borrowed from BCS shall constitute a legally binding loan agreement between the Client and BCS. The loans provided by BCS in accordance with this Clause, shall bear interest at the rate determined by BCS at the time of the loan transaction subject to rates provided by banks and agents which BCS chooses at its sole discretion (which are available upon request).

10.5. The Client acknowledges and consents that the loan will be fully payable at the date defined by BCS at its sole discretion. BCS reserves the right to submit the demand for the payment of the debt accrued accordingly at any time and the Client shall pay BCS such debt by the end of the business day on which BCS has submitted the demand. If the Client fails to comply with its obligations in accordance and on the dates specified hereunder BCS may liquidate Client's positions and/or sell securities held in Client's account in the amount sufficient to settlement Client's debts without prior notice.

10.6. Unless a Transaction is denominated in another currency, all Margin and any debit or credit made in Client's account shall be in the Base Currency. In the event that the Client enters into any Transactions that are effected in a currency other than Base Currency or in the event that BCS deems it necessary to convert any Margin deposited by the Client, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such currency will be for the Client's account and risk. In connection with a Transaction, BCS may be required to buy or sell foreign currency (spot or forward). The exchange rate that shall apply is the exchange rate determined by BCS at the time of the Transaction, unless otherwise agreed.

10.7. The Client authorises BCS to issue a single or collective margin call to the Client from time to time and agrees to promptly meet all margin calls in such manner as BCS shall designate in its sole discretion.

10.8. BCS shall not be liable to the Client for the loss of any Margin which is the direct or indirect result of the bankruptcy, insolvency, liquidation, receivership, custodianship, or assignment for the benefit of creditors of any bank, another clearing broker, exchange, clearing organization, or similar entity.

10.9. The Client agrees to execute such further documents and take such further steps as BCS may require perfecting its security interest, exercising any rights or satisfying any Applicable Regulations. The Client shall not without BCS prior written consent substitute any assets which are subject to BCS security interest.

10.10. BCS may, where permitted by Applicable Regulations, sell, alienate or otherwise transfer, lend, pledge, re-pledge, hypothecate or rehypothecate, on any terms, whether for its own account or for the account of third parties, any collateral held in Client's account with BCS. The Client agrees that BCS may grant a security interest over margin or collateral provided by the Client to cover any obligations owed by BCS to an intermediate broker, exchange or market including future, contingent, or prospective obligations arising from time to time, without giving any notice to the Client. Where BCS agrees to benefit the Client in exchange for the right of use any such benefit shall be specifically agreed upon between the Client and BCS in the Client's Fee Schedule or otherwise.

10.11. In the event that BCS liquidates Client's position (or, where the Client is acting as agent on behalf of an underlying client, that underlying client's position), BCS, in its sole discretion, may sell or purchase in the same contract month or initiate new positions in order to establish a spread or straddle which in its judgment may be necessary or advisable to protect existing positions in Client's account. Any sales or purchases hereunder may be made according to BCS judgment and at its discretion on any exchange or other market where such business is then usually transacted or at public auction or at private sale, and BCS may purchase the whole or any part thereof free from any right of redemption. It is understood that, in all cases, a prior demand, call, or notice of the time and place of a sale or purchase shall not be considered a waiver of BCS right to sell or buy without demand or notice as herein provided. The Client at all times shall be liable for the payment of any debit balance upon demand by BCS, and shall be liable for any deficiency remaining in the event of the liquidation thereof in whole or in part by BCS or by the Client. In the event the proceeds realized pursuant to this authorization are insufficient for the payment due to BCS, the Client promptly shall pay, upon demand, the deficit and all unpaid liabilities, together with interest thereon and all costs of collection including reasonable attorneys' fees. The Client agrees (or, where

the Client is acting as agent on behalf of an underlying client, that underlying client agrees) to pay all expenses, including attorneys' fees, incurred by BCS to collect any debit balances in client's account or to defend any unsuccessful claim the Client (or, where the Client is acting as agent on behalf of an underlying client, that underlying client) may bring against BCS.

11. Foreign Exchange

11.1. The Client shall be responsible for instructing BCS to convert any monies held by BCS for the Client into other currency as the Client considers necessary to conduct its business in that currency. Where the Client instructs BCS to settle a Transaction in a currency different from the currency of the Transaction the Client authorises BCS to convert the settlement amount and in that case the Client's instruction to settle will serve as a currency conversion instruction. Whenever BCS conducts currency conversions on Client's instructions BCS will do so at such reasonable rate of exchange as it shall select. BCS shall be entitled to charge and retain for its own account a mark-up on the exchange rates for arranging such conversion or shall be entitled to charge the Client fees and commissions related with currency conversions as may be notified by BCS to the Client. All foreign exchange transacted by BCS on Client's instructions will be carried out in accordance with the standard practices for the relevant currencies unless agreed otherwise.

11.2. BCS may not run negative daily-end balances on Client's cash accounts on the settlement day. The Client agrees that keeping negative daily-end balances on its cash accounts on the settlement day overnight is allowed only in accordance with Clause 3.2 of the Section E: Margin Trading Terms. The Client agrees that under Clause 3.2 of the Section E: Margin Trading Terms BCS is entitled to but shall not in any circumstances be obliged to convert any monies held by BCS for the Client into such other currency as BCS considers necessary or desirable to cover Client's obligations and liabilities in that currency. The exchange rate that shall apply in such cases is the exchange rate determined by BCS at the time of the Transaction. BCS bases its conversion rates on rates provided by banks and agents which it chooses at its sole discretion. The Client understands that any profit or loss arising out of a fluctuation in the exchange rate affecting such currency will be for its own account and risk. The Client understands that a debit balance in one currency cannot be offset against a credit balance in another currency.

12. Fees and Commissions

12.1. BCS fees in respect of Transactions executed under these Terms will be calculated on a commission basis, collected from the Client on the agreed basis between the Client and BCS or as notified by BCS to the Client from time to time and are set out in the Fees Schedule to the present Terms.

12.2. The Client will be responsible for the payment of any commissions, brokerage fees, transfer fees, registration fees, any applicable duties and taxes, and all other liabilities, charges, costs and expenses payable in connection with Transactions effected or Services provided by BCS or executed on Client's behalf. If the Client instructs BCS to provide a Service or to execute a Transaction not listed on the Fee Schedule BCS may in its sole discretion choose to perform such a Transaction or Service and the Client agrees to pay BCS such a fee as may be notified by BCS to the Client promptly upon receipt of the relevant instruction and any such fee shall thereafter be binding upon BCS and the Client.

12.3. In the course of providing Services to the Client, BCS will pay or receive or share fees, commissions or other non-monetary benefits with or from any other person (including its Affiliates). If relevant, the Client will be notified separately of the details of such arrangements upon request.

12.4. For the avoidance of doubt, the Client shall also pay value added tax and any other relevant tax or imposition at the rates applicable from time to time that relate to such fees and charges. BCS may share fees or charges with a third party and will notify the Client of this prior to commencement of trading.

13. Payments

13.1. The Client agrees to pay any amount due to BCS as they become due regardless of any rights of equity, counterclaim or set-off which the Client may have against BCS, free and clear of, and without withholding or deduction for, any taxes of whatsoever nature, unless the same is required by any applicable laws or rules binding on the Client. In that event, unless otherwise agreed, the Client will pay such additional amounts as will result in the net amounts receivable by BCS (after taking account of such withholding or deduction) being equal to such amounts as would have been received by BCS had no such taxes been required to be withheld or deducted.

13.2. If on any date there are amounts which would otherwise be payable in the same currency both by BCS to the Client and by the Client to BCS, then BCS may aggregate the amounts so payable on such date and only the difference between the two aggregate amounts will be paid by the party owing the larger aggregate amount.

13.3. The Client authorises BCS to debit any of its accounts, whether held by BCS, one of BCS Affiliates or a third party, to pay any amounts due to BCS pursuant to these Terms or any Transaction effected hereunder, including any of BCS fees.

13.4. Where transaction for sale or purchase of securities is executed between the Client and BCS, the securities purchased shall include any dividends and other income or capital distributions which accrue on or after the relevant trade date and the seller of the securities shall account to the buyer for any such entitlements (subject to such entitlements being received by the seller and to any withholding or deduction on account of taxes) when the relevant entitlements have been distributed in the market.

13.5. BCS may deduct or withhold all forms of tax (wherever in the world whenever imposed) from any payment if obliged to do so under Applicable Regulations binding on BCS. In accounting for tax or making deductions or withholdings of tax, BCS may estimate the amounts concerned. Any excess of such estimated amount over the final confirmed liability shall be credited or sent to the Client as soon as practicable after the determination of the final liability.

13.6. Except as otherwise required or determined by Applicable Regulations or Market Rules, the Client shall be solely responsible for all filings, tax returns and reports on any Transactions which must be made by the Client to any relevant authority, whether governmental or otherwise, and for the payment of all taxes (including without limitation any transfer, withholding or value added taxes), imports, levies or duties due from the Client on any dividends, principal or interest, or any other liability or payment arising out of or in connection with a Transaction. BCS is not a qualified intermediary within the meaning of the US Treasury Regulations §1.1441-1(c)(13) for the purposes of these Terms.

13.7. Without prejudice to the Clause 13.6. above the Client agrees that, so long as it has or may have any obligation under these Terms or under any financial collateral arrangement to which it is a party it will deliver to BCS or, in certain cases to such government or taxing authority as BCS reasonably directs any forms, documents or certificates relating to taxation and upon reasonable demand by BCS, any form or document that may be required or reasonably requested in writing in order to allow BCS to make a payment under these Terms without any deduction or withholding for or on account of any tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the Client), with any such form or document to be accurate and completed in a manner reasonably satisfactory to BCS and to be executed and to be delivered with any reasonably required certification, in each case by the date specified by BCS or, if none is specified, as soon as reasonably practicable.

13.8. If BCS receives or recovers any amount in respect of an obligation of the Client in a currency other than that in which such amount was payable, whether pursuant to a judgment of any court or otherwise, the Client shall indemnify BCS and hold BCS harmless from and against any reasonable cost (including costs of conversion) and actual loss suffered by BCS as a result of receiving such amount in a currency other than the currency in which it was due.

14. Interest, Late Settlements

14.1. The Client will be charged interest on any debit balance in any of its accounts and on any and all monies owed by the Client to BCS and on any Client's failure to pay any amount when due and payable to BCS. The Client understands that a debit balance of its account in one currency cannot be offset against a credit balance in another currency on any of its accounts.

14.2. BCS reserve the right to charge interest at a rate of LIBOR +7% per annum or at the effective cost to BCS of borrowing the due amount in the relevant money markets as determined in BCS absolute discretion whichever is higher. Interest accrues daily and is calculated on a compounded basis and is payable as a separate debt.

14.3. In the event of a late delivery of securities to BCS in respect of a Transaction the Client shall pay to BCS interest on an amount equal to the market value of securities which were required to be delivered in the same currency as that amount, for the period from (and including) the originally scheduled date for delivery to (but excluding) the date of actual delivery at a rate of LIBOR +7% per annum or at the effective cost to BCS of borrowing the securities as determined in BCS absolute discretion whichever is higher. The market value referred to above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures. The Client shall be also liable according to the standard settlement practices of the relevant home market and/or Market Rules applicable to the Transaction.

14.4. Interest charges will be debited from Client's account on a daily basis, unless otherwise agreed.

15. Client's Representations and Warranties

15.1. The Client makes the following representations to BCS which representations will be deemed to be repeated on each date on which a Transaction is entered into under these Terms:

16. Events of Default

16.1. The occurrence at any time with respect to the Client or, if applicable, any financial collateral provider of the Client of any of the following events constitutes an event of default (an 'Event of Default'):

16.1.1. Failure by the Client to pay, deliver or perform, when due under these Terms after, in each case, notice of such failure is given to the Client;

16.1.2. Failure by the Client or any financial collateral provider of the Client to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any financial collateral arrangement if such failure is continuing after any applicable grace period, if any, has elapsed;

16.1.4. The expiration or termination of such financial collateral arrangement or the failing or ceasing of such financial collateral arrangement, or any security interest granted by the Client or its financial collateral provider to BCS pursuant to any financial collateral arrangement, to be in full force and effect for the purpose of these Terms (in each case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such financial collateral arrangement relates without the written consent of BCS;

16.1.5. The Client or such financial collateral provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such financial collateral arrangement (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

16.1.6. 16.1.10. An insolvency event occurs in respect of the Client or any financial collateral provider of the Client. For the purposes of these Terms, each of the following shall constitute an insolvency event:

16.2.1. Terminate the agreement to provide the Services and treat any or all outstanding Transactions between the Client and BCS or its Affiliates as having been cancelled or terminated provided that a termination date in respect of all outstanding Transactions will occur at the time immediately preceding the occurrence with respect to of the Client or any financial collateral provider of the Client of an insolvency event;

16.2.2. Sell, alienate or otherwise transfer any or all of the financial instruments which BCS or its Affiliates are holding or are entitled to receive on Client's behalf and to apply the proceeds in or towards satisfaction of any obligation or liability the Client may have to BCS or its Affiliates (including any contingent, future or prospective obligation or liability arising from time to time);

16.2.3. Set off any obligation BCS or its Affiliates owe to the Client, and/or to apply any cash BCS or its Affiliates hold for Client's account, against any obligation or liability the Client may have to BCS or its Affiliates (including any contingent, future or prospective obligation or liability arising from time to time); or

16.2.4. Close out, replace or reverse any Transaction, enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at BCS sole discretion, it or its Affiliates consider necessary or appropriate to cover, reduce or eliminate loss or liability under or in respect of any contracts, positions or commitments of the Client;

16.2.5. Appropriate all or part of the any or all of the financial instruments in or towards discharge of any obligation or liability the Client may have to BCS or its Affiliates (including any contingent, future or prospective obligation or liability arising from time to time). For this purpose, the Client agrees that the value of such appropriated financial instruments shall be equal to the default market value of the financial instruments determined by BCS on or as soon as reasonably practicable after an Event of Default in accordance with sub-paragraph (i) to (iii) below:

If -

- i. on or about a termination date BCS has sold financial instruments which form part of the same issue and are of an identical type and description as Client's financial instruments (regardless as to whether or not such sales or purchases have settled), BCS may elect to treat as the default market value the net proceeds of such sale after deducting all reasonable costs, commissions, fees and expenses incurred in connection therewith (provided that, where financial instruments sold are not identical in amount to Client's financial instruments, BCS may, acting in good faith, either (x) elect to treat such net proceeds of sale divided by the amount of financial instruments sold and multiplied by the amount of Client's financial instruments or (y) elect to treat such net proceeds of sale of financial instruments actually sold as the default market value of that proportion of Client's financial instruments, and, in that case, the default market value of the balance of Client's financial instruments shall be determined separately in accordance with the provisions of this paragraph; or
- ii. on or about the appropriation date BCS has received bid quotations in respect of Client's financial instruments of the relevant description from two or more market makers or regular dealers in the appropriate market in a commercially

reasonable size, using pricing methodology which is customary for the relevant type of security (as determined by BCS) BCS may elect to treat as the default market value of such financial instruments the price quoted (or where a price is quoted by two or more market makers, the arithmetic mean of such prices) by each of them for the purchase by the relevant market maker or dealer of Client's financial instruments provided that such price or prices quoted may be adjusted in a commercially reasonable manner by BCS and to reflect accrued but unpaid coupons not reflected in the price or prices quoted in respect of such securities after deducting the transaction costs which would be incurred or reasonably anticipated in connection with such a transaction; or

- iii. if, acting in good faith BCS either –
 - A. has endeavored but been unable to sell Client's financial instruments in accordance with sub-paragraph (i) above or to obtain quotations in accordance with sub-paragraph (ii) above (or both); or
 - B. has determined that it would not be commercially reasonable to sell or purchase Client's financial instruments at the prices bid or offered or to obtain such quotations, or that it would not be commercially reasonable to use any quotations which it has obtained under sub-paragraph (ii) above, BCS may treat such as the default market value of the relevant the relevant financial instruments the amount which, in the reasonable opinion of BCS, represents their fair market value, having regard to such pricing sources (including trading prices) and methods (which may include, without limitation, available prices for securities with similar maturities, terms and credit characteristics as Client's financial instruments) as BCS considers appropriate, less all transaction costs which would be incurred or reasonably anticipated in connection with the purchase or sale of such financial instruments.

The Client and BCS have agreed herewith that the method of valuation provided for in this clause shall constitute a commercially reasonable method of valuation.

16.3. Without prejudice and in addition to any general lien, right of set-off or other similar right which BCS or its Affiliates may be entitled to exercise whether by law or otherwise over any of Client's funds or financial instruments, the Client's funds and financial instruments shall be subject to a general lien in favor of BCS or its Affiliates, insofar as there remain any outstanding amounts due or liabilities (whether actual or contingent) outstanding from the Client to BCS or its Affiliates.

17. Termination

17.1. Without prejudice to anything contained in Clause 16, these Terms may be terminated by either Party at any time upon either party giving to the other a notice of termination. Termination of these Terms pursuant to this Clause shall be:

17.1.2. Without prejudice to and shall not affect any accrued rights, existing commitments or any contractual provision intended to survive termination; and

17.1.3. Without penalty or other additional payment save that the Client will pay:

- i. Outstanding fees and charges;
- ii. Any expenses incurred by BCS in the provision of the Services under the Terms payable by the Client;
- iii. Any additional expenses incurred by BCS in terminating; and

18.2. BCS will not be liable for loss suffered by the Client in connection with the Services unless such loss directly arises from BCS gross negligence, willful default or fraud.

18.3. Save to the extent BCS may otherwise expressly agree, the Client undertakes to keep BCS, its agents and employees fully and effectually indemnified against all costs, charges, claims, liabilities, fees, expenses, indirect, special, punitive or consequential loss or damage whatsoever incurred by BCS and them pursuant to or in connection with the provision of the Services unless the same arise directly from BCS or their gross negligence, willful default or fraud.

18.4. Neither BCS nor any of its officers shall be liable for any loss arising from any act or omission of any agent or third party (apart from one of BCS Affiliates) who performs Services pursuant to these Terms except to the extent that such loss is caused by willful default, fraud or gross negligence in the selection of such agents or third parties on the part of BCS or its officers.

18.5. In no event shall BCS or any of its officers be liable for any indirect, consequential or special loss, howsoever arising.

18.6. Whilst BCS will endeavor to comply with its obligations in a timely manner, BCS will incur no liability whatsoever for any partial or non-performance of its obligations by reason of any cause beyond BCS reasonable control, including but not limited to any communications, systems or computer failure, market default, suspension, failure or closure, or the imposition or change (including a change of interpretation) of any law or governmental or regulatory requirement and BCS shall not be held liable for any loss the Client may incur as a result thereof.

19. Conflict of Interest and Disclosures

19.1. In accordance with BCS conflict of interest policy BCS has in place arrangements to identify and manage conflicts of interest between itself, including its managers and employees, tied agents, or other relevant persons, as well as any person directly or indirectly linked to them by control, as well as between BCS and its clients or between one client and another, that arise in the course of providing Services.

19.2. Where the organisational or administrative arrangements made by BCS to manage conflicts of interest, are not sufficient to ensure, with reasonable confidence, that risks of damage to the Client interests will be prevented, BCS will clearly disclose the general nature or/and sources of conflicts of interest to the Client before undertaking business on its behalf.

19.3. The disclosure to the Client will be made in a durable medium and include sufficient detail, taking into account the nature of the Client, to enable it to take an informed decision with respect to the Service in the context of which the conflict of interest arises.

19.4. The Client understands that BCS may provide that information on paper or in other durable medium. The Client hereby specifically chooses the provision of the information by means of electronic communications to the Client's e-mail address.

20. Confidentiality

20.1. BCS shall be under no duty to disclose to the Client any information in making any decision or taking any action in connection with the provision of the Services, or to take into account any information or other matters which come to its notice or the notice of any of its employees, directors, agents or associates:

- i. where this would, or BCS reasonably believes that it would, be a breach of any duty of fidelity or confidence to any other person; or
- ii. which comes to the notice of an employee, officer or agent of BCS, but does not come to the actual notice of the account executive or other individual providing the Client with the Service in question.

20.2. The Parties will at all times keep confidential and shall not disclose to a third party any information of a confidential nature acquired in connection with the Terms or the Services, except for information which either of the Parties is bound to disclose under compulsion of law or by request of regulatory agencies or to their respective professional advisers or, in case of BCS, where disclosure to a third party such as an intermediary, exchange or clearing house is necessary in order to facilitate the proper performance of the Services.

21. Data Protection

21.1. The Client acknowledges that BCS may obtain information (including personal data as defined in the Processing of Personal Data (Protection of Individuals) Law 2001, as amended) about the Client or its directors, officers and employees. The Client warrants to BCS that all relevant data subjects whose personal data it has supplied or will supply to BCS in connection with these Terms have given their informed consent for BCS to process, transfer, disclose and retain the personal data in accordance with this Clause 21.

21.2. The Client authorises BCS to process and retain any information as defined in Clause 21.1. above, (whether provided electronically or otherwise) and to disclose any such information (including, without limitation, information relating to Client's Transactions and accounts) either as BCS or any of its relevant Affiliates shall be obliged or requested to under or pursuant to any Applicable Regulations or by any regulatory authority or as may be required to provide the Services.

21.3. The Client agrees that BCS may disclose such information to one of its Affiliates or third party wherever located in the world to the extent necessary for the provision of the Services. BCS may assign its rights under these Terms to any of its Affiliates without Client's consent. Upon giving one month's notice, BCS may appoint any appropriate Affiliate to provide the Services in its place and shall then transfer to such appointee all of its rights and obligations under the Terms.

23.2. These Terms supersede any previous agreement between the Parties relating to the subject matter of the Terms.

23.3. All Transactions are entered into by BCS in reliance on the fact that these Terms and all Transactions form a single agreement between the Parties.

The Client acknowledges and agrees that in conducting business with BCS pursuant to the Terms, the Client does not rely on, and shall have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) of any person other than as expressly set out in the Terms.

23.5. No failure to exercise or delay in exercising any right or remedy under the Terms shall constitute a waiver thereof and no single or partial exercise of any right or remedy under the Terms shall preclude or restrict any further exercise of such right or remedy. The rights and remedies contained in the Terms are cumulative and not exclusive of any rights and remedies provided by law.

23.6. If any provision in these Terms shall in whole or in part be held by any court of competent jurisdiction to any extent to be illegal or unenforceable under any enactment or rule of law that provision or part shall to that extent be deemed not to form part of the Terms and the enforceability of the remainder of the Terms shall not be affected thereby.

23.7. Except as expressly recognised herein, nothing in these Terms shall create any fiduciary or equitable duty owed by BCS to the Client. Save as otherwise provided herein, BCS and its Affiliates may have interest in any securities subject to a Transaction or relationships or agreements with or relating to the issuer of securities without being required to disclose any of the same to the Client.

24. Governing Law

In the event that both the claimant(s) and the respondent(s) fail to nominate an arbitrator within the time limits specified in the Rules, all three arbitrators shall be appointed by the LCIA within 15 days of such failure who shall designate one of them as Chairman. If all the parties to an arbitration so agree, there shall be a sole arbitrator appointed by the LCIA within 15 days of such agreement.

24.6. Before an arbitrator has been appointed to determine a Dispute, the respondent(s) may by notice in writing to the claimant(s) require that all Disputes or a specific Dispute be heard by a court of law. If the respondent(s) give(s) such notice, the Dispute to which such notice refers shall be determined in accordance with Clause 24.7. For the avoidance of doubt, neither Party is entitled to refer a dispute to a state court in accordance with Clause 24.7. before it refers the Dispute to arbitration in accordance with Clause 24.2.

24.7. The courts of Cyprus shall have exclusive jurisdiction to decide on any proceedings relating to any Dispute. The Parties agree that the courts of Cyprus are the most appropriate and convenient courts to determine and settle Disputes between them and accordingly no party shall raise any arguments based on forum non conveniens.

SECTION B: NETTING TERMS

1.1 All business transacted between the Client and BCS may be netted (offsetted). 'Netting' means aggregating two or more obligations occurring on the same value date and in the same currency to achieve a reduced net obligation. By netting, liabilities and claims incurred in buy and sell Transactions are offset and only the difference will become due and payable under the terms and conditions of the Transactions made by the Client and BCS. BCS may at its discretion and subject to the conditions in the Terms net Transactions made by the Client and BCS.

1.2 Agreement for netting specific Transactions may be reached between the Client and BCS provided that BCS and the Client on or before the netting date shall execute the relevant Netting Confirmations, the form of which is attached as Appendix 2 to the Terms. Unless Netting Confirmations have been executed by BCS and the Client, no netting shall be done.

1.3 When netting is carried out for money, the sums to be paid by BCS to the Client and by the Client to BCS shall be netted and a difference shall be paid on the netting date to the relevant party. On receiving these payments, obligations to settle the specific Transactions shall be deemed to have been discharged in full.

1.4 When netting is carried out for securities, the quantity of securities with offsetting obligations shall be netted and the difference in of the quantity of securities shall be delivered to the relevant party on the netting date. On receiving these securities, obligations to settle the specific Transactions shall be deemed to have been discharged in full.

1.6 If the quantity of the securities the Client or BCS should deliver to each other and the cash amounts to be paid by the Client and BCS are not equal, the residual amounts after netting shall be delivered on a 'DVP' basis.

SECTION C: CUSTODY TERMS

1. Custody

1.1 Where client financial instruments are held or received by BCS, they will be held or received subject to the Law and the relevant CySEC Directives and BCS may agree to act as custodian or to arrange for Client's financial instruments ('Client Custody Securities' or 'Client Securities') to be held in custody. Where BCS does so, BCS will open, or cause to be opened, such accounts as are required to safeguard adequately Client's ownership rights in those financial instruments in the event of BCS insolvency, and to minimise the chance of loss or diminution of those financial instruments.

1.2 BCS has adequate organisational arrangements in place to minimise the risk of misuse, fraud, poor administration, inadequate recordkeeping or negligence in respect of Client Custody Securities. BCS keeps such records and accounts as are necessary to enable it at any time and without delay to distinguish Custody Securities held for one client from assets held for any other client, and from its own assets. BCS maintains its records and accounts in a way that ensures their accuracy, and in particular their correspondence to the Client Custody Securities. BCS conducts, on a regular basis, reconciliations between its internal accounts and records and those of any third parties by whom Client Securities are held.

1.3 The Client hereby authorises BCS to register or arrange the registration of Custody Securities in any name permitted by the Law and the relevant CySEC Directives. Normally, Custody Securities will be held in the name of an eligible nominee. BCS will take the necessary steps to ensure that any Client Securities deposited with a third party, are identifiable separately from the financial instruments belonging to BCS and from financial instruments belonging to that third party, by means of differently titled accounts on the books of the third party or other equivalent measures that achieve the same level of protection. However, where the Custody Securities are subject to the law or market practice outside the Republic and it is in Client's best interests to do so, BCS may register or record Client's Custody Securities in the name of the custodian or BCS name. If Custody Securities are held in BCS name or that of a custodian, the Custody Securities may not be segregated or separately identifiable from BCS financial instruments or those of a custodian and, in the event of a default by BCS or the custodian, may be not as well protected from any claims by BCS creditors.

1.4 If BCS deposits Custody Securities with a person in a non-EEA state, BCS will be subject to the law of that state and Client's rights in relation to those Securities may differ accordingly. If the safekeeping of securities is subject to specific regulation and supervision in a jurisdiction where BCS proposes to deposit Client Securities with a third party, BCS will not deposit those Securities in that jurisdiction with a third party which is not subject to such regulation and supervision.

1.5 BCS will not deposit Custody Securities with a person in a non-EEA state which does not regulate custody activities unless (i) the nature of the financial instrument requires it to be deposited in such a state or (ii) BCS receives a prior written instruction from the Client, in which case the consequences of so doing are entirely at Client's own risk.

1.6 BCS accepts no liability for the default of any nominees, custodians or third parties. When depositing Client Securities into an account or accounts opened with a third party BCS will exercise all due skill, care and diligence in the selection, appointment and periodic review of the third party and of the arrangements for the holding and safekeeping of those Securities. In particular, BCS will take into account the expertise and market reputation of the third party as well as any legal requirements or market practices related to the holding of those Securities that could adversely affect Clients' rights.

1.7 Financial instruments registered or recorded in the name of a nominee will be pooled with those of one or more of BCS other clients. Accordingly, Client's individual entitlements may not be identifiable by separate certificates, physical documents or entries on the register or equivalent electronic records. In the event of an irrecoverable shortfall following any default or failure by the custodian responsible for pooled instruments, the Client may not receive full entitlement and may share in that shortfall pro-rata to its original share of the financial instruments in the pool. When corporate events (such as partial redemptions) affect some but not all of the instruments held in a pooled account, BCS will allocate the instruments so affected to particular clients in such fair and equitable manner as BCS considers appropriate (which may without limitation involve pro rata allocation).

1.8 BCS will claim all amounts of any dividends, interest, payments or analogous sums to which the Client may be entitled in relation to Custody Securities and of which BCS is notified, but BCS shall not be responsible for claiming any entitlement or benefit the Client may have under any applicable taxation treaty or arrangement.

1.9 Where BCS appoints a custodian to hold Custody Securities it may be with one of its Affiliates.

2.2 Where BCS arranges a Securities Loan in respect of Client's Custody Securities, title to the Securities lent will be transferred to the borrower, and the Securities returned to the Client will be equivalent but not identical to the Securities lent.

2.3 The Client also agrees that BCS may use its Custody Securities for other purposes, including charging the Custody Securities in favor of a lender which provides funding to BCS, for example in relation to margin lending facilities offered to BCS clients.

2.6 Securities Loans shall be documented on market standard documentation. The Client authorises BCS to negotiate and execute such documentation on its behalf. BCS shall require that cash or securities collateral is provided to BCS, for Client's benefit, in respect of each Securities Loan, including where BCS acts as borrower.

3. Corporate Actions and Income Collection

3.1. BCS shall use reasonable endeavors to obtain information concerning the securities which requires discretionary action by the Client including but not limited to subscription rights, bonus issues, stock repurchase plans and rights offering, or legal notices or other material intended to be transmitted to securities holders ('Corporate Actions') and BCS will use reasonable endeavors to give the Client a notice of such Corporate Actions to the extent that BCS has actual knowledge of a Corporate Action in time of notification to the Client.

3.2. Corporate Actions notices dispatched to the Client may have been obtained from sources which BCS does not control and may have been translated or summarized. Although BCS may believe that such sources to be reliable, BCS has no duty to verify the information contained in such notices nor faithfulness of any translation or summary and therefore does not guarantee its accuracy, completeness or timeliness, and BCS shall not be liable to the Client for any loss that may result from relying on such notices.

3.3. Details of the proxy voting Services offered by BCS are available on request only. Neither BCS nor its sub-custodians or nominees shall execute any form of proxy, or give any consent or to take any actions, in relation to any securities except upon client instruction.

3.4. Until BCS receives instructions from the Client to the contrary BCS is authorized to and shall:

3.4.1. present, upon notice to BCS, all securities called for redemption or otherwise matured, and all income and interest coupons and other income items which call for payment upon presentation;

3.4.2. execute certificates and documents as may be required to obtain payment in respect of securities.

3.5. BCS will credit Client's account with income and redemption proceeds only after actual receipts. Neither BCS nor its sub-custodians shall be obliged to institute legal proceedings, file a claim or proof of claim in any insolvency proceeding or take any action with respect to collection of income or redemptions proceeds.

4. Reasonable Care and Indirect Losses

BCS shall use reasonable skill and care in performing its obligations under these Terms and shall look after Client's Securities with the same degree of skill and care as BCS does for its own similar assets in the relevant markets. 2. General

2.1. The Client understands that trading on Margin Account involves borrowing of Assets. When the Client trades on Margin Account with BCS, an intraday credit allowance from BCS is used by the Client. This intraday credit allowance is to be used to purchase or sell Assets in the amount that may considerably exceed the value of Client's account with BCS.

2.2. The Client also understands that while margin trading may give a greater opportunity for profit, it is also of a higher degree of risk. The Client agrees to carefully consider whether trading on margin is suitable for the Client, taking into consideration its financial resources, objectives and other relevant circumstances.

2.3. Unless otherwise agreed by BCS, the Client may submit orders for entering into Margin Transactions only in respect of Margin Assets. The Margin List(s) shall be notified to the Client via BCS official website, BCS front-end system or e-mail and can be modified by BCS at its own discretion at any time. BCS shall notify the Client on any changes in the Margin List(s) by placing the updated Margin List on its official website, adjusting front-end system information, or, if an individual Margin List is agreed with the Client, by sending relevant e-mail notification containing the updated Margin List to the Client. BCS does not accept as Eligible Collateral the Assets for which the Client has submitted a withdrawal request that has been accepted by BCS. BCS reserves the right to refuse to offer loans in and/or against security of certain Assets due to concentration, price, market volatility or other risks. All Margin Account loans are to be fully returned without notice.

2.4. BCS shall apply risk-management to Margin Account. Unless otherwise agreed by BCS, Margin Account risk-management shall involve continuous Margin Account monitoring and controlling Client's Margin status based on the ratio of Discounted Collateral to Discounted Margin Requirement ('margin ratio') as defined herewith.

2.5. Based on the value of margin ratio calculated in accordance with paragraph 6 hereof, BCS shall assign Margin status to the Client. Margin status defines and reflects the level of risk associated by BCS with the Client and/or Client's Margin Account and may result in certain limitations and/or consequences initiated by BCS and obligatory for the Client. Margin status ranges are defined as follows:

- c) 'Margin Call' which means BCS shall have an immediate right to send a margin call notice to the Client, and such margin call shall be satisfied by the Client as required by BCS; failure to satisfy margin call requirements shall result in BCS' immediate right to change Client's and/or any Client's account Margin status to 'Liquidation';
- d) 'Liquidation' which means BCS is entitled to liquidate any and all Client's Margin Positions and take any other actions as considered appropriate by BCS for risk-management of Client's accounts and protection of BCS other clients and own interests.

3. Requirements and roll-over procedures in respect of Margin Positions

3.1 The Client shall close all Margin Positions on its Margin Account(s) with BCS and roll over all short positions and negative Cash Balances by the end of the settlement day as determined in the relevant Market Rules and by applicable settlement deadlines. The Client understands that keeping such positions overnight is not allowed under the present Margin Terms. BCS shall not be obliged to check or have regard to any assumption made or expressed by the Client as to the effect of any trade on Client's existing or overall positions with and/or outside of BCS. BCS shall have no regard to Client's comments that any order the Client places is aimed at a trade to close all or part of Client's open position. BCS will treat all trades as a 'buy' or a 'sell' regardless of whether the trade has the effect of opening a new position or closing an existing one. It is the responsibility of the Client to be aware of all Client's positions and to ensure the latter comply with Margin Terms at all times.

3.2 If there are short Margin Positions and/or negative Cash Balances ('indebtedness') in the Margin Account of the Client as of the end of a settlement day, the Client agrees that all such indebtedness shall be rolled over by BCS to the following settlement day by means of Overnight REPO, Overnight Reverse Repo, Overnight Securities Lending, Overnight Securities Borrowing, Overnight Currency Swap or Overnight Loan Transactions ('Roll-Over Transactions'), and BCS shall apply processes, haircuts and closing prices or FX rates as considered appropriate by BCS based on the Terms, usual business practice and internal procedures, and shall charge interest related to indebtedness roll-over Transactions at the rates stipulated by BCS for borrowings in related securities and/or currencies in the Fee Schedule for the Client.

3.3 To roll-over Client's indebtedness in securities, appropriate quantity of the securities shall be bought in the first part and sold in the second part of Overnight Reverse REPO at the buy and sell prices based on the trade date closing price for the security and with interest charged by BCS separately or included into the price of the second part of the Overnight Reverse REPO.

3.4 To roll-over Client's cash indebtedness by means of Overnight REPO, appropriate quantity of securities shall be sold in the first part and bought in the second part of the Overnight REPO at the sell and buy prices based on the trade date closing price for the security with interest charged by BCS separately or included into the price of the second part of the Overnight REPO. BCS reserves

the right to decide which securities in the account of the Client are to be used for the Overnight REPO and will normally select the most liquid securities according to the prevailing market conditions.

3.5 To roll-over cash indebtedness by means of Overnight Currency Swap, appropriate amount of cash available in certain currency shall be sold in the first part and bought in the second part of the Overnight Currency Swap versus the currency of the indebtedness at sell and buy FX rates based on the trade date closing FX rates or the Central Bank of Russian Federation official FX rates and with interest charged by BCS separately or included into the price of the second part of the Overnight Currency Swap.

3.6 To roll-over Client's indebtedness by means of Overnight Loan, appropriate amount of cash or quantity of securities shall be recorded as an overnight loan (negative balance) on the Client's account with interest charged by BCS by the loan repayment or redelivery date.

3.7 To roll-over Client's cash indebtedness by means of Overnight Securities Lending, appropriate quantity of securities shall be lent in the Overnight Securities Lending Transaction and the cash collateral received from BCS thereby shall be used to cover the debit cash balance in the Client's account. BCS reserves the right to decide which securities in the account of the Client shall be used for the Overnight Securities Lending Transactions and will normally select the most liquid securities according to the prevailing market conditions. To roll-over Client's indebtedness in securities by means of Overnight Securities Borrowing, appropriate quantity of securities shall be borrowed from BCS in exchange for cash collateral.

3.8 BCS may pay interest on positive cash balances remained on the Client's Margin Account following all Roll-Over Transactions settlement if relevant interest rates have been specifically agreed by BCS in the Client's Fee Schedule for that purpose. Interest calculation shall be performed by BCS based on its internal procedures. The interest rate payable can be changed at BCS sole discretion at any time without prior notice to the Client.

3.9 Where the term of a short Margin Position or securities loan extends over the record date for any dividends, other income or distributions ('the income') in respect of any securities borrowed by the Client from BCS, the Client shall, within two days upon receipt of the income, pay or deliver to BCS a sum of money and/or property equivalent to (and in the same currency as) the type and amount of such income as distributed by the issuer in respect of such securities. For the avoidance of doubt, unless otherwise agreed between the Client and BCS, references in this paragraph to the amount of any income distributed by the issuer of any loaned securities shall be to an amount paid or delivered without withholding or deducting any amount for or on account of any taxes or duties even if payment or delivery of such income is subject to such a withholding or deduction.

3.10 BCS may adjust the procedures for rolling over indebtedness and related calculations at its sole discretion without prior notice to the Client.

4. Interest charges Computation, Fees and Commissions

4.1 Interest charges shall apply to the value of Transactions executed to roll over indebtedness based on interest rates advised to the Client by BCS in the Fee Schedule by a notice which includes e-mail, delivery by hand or mail. With regard to cash indebtedness roll-overs, related currency margin interest rate stipulated in the Fee Schedule shall apply, or, if margin interest rate is not mentioned for the currency explicitly, the default margin interest rate shall apply. With regard to securities indebtedness roll-overs, margin interest rate stipulated in the Fee Schedule for related security, group or primary market of securities shall apply, or, if explicit margin interest rate is not mentioned thereby, margin interest rate for the security denomination currency shall apply as defined herewith. The Client understands that the interest rate may be adjusted automatically and without Client's consent. However, if a margin interest rate changes for any reason the Client will receive a notice at least seven (7) calendar days prior to the change.

4.2 Unless otherwise agreed by the Parties, the Client will be charged interest for Roll-Over Transactions on a daily basis, for each calendar day of the term of the Roll-Over Transaction. The Client understands and agrees that every time BCS rolls over Client's indebtedness in cash or securities by means of a Roll-Over Transaction the interest will be debited to the Client's account on or after the trade date.

4.3 If Client's indebtedness is rolled over by means of repo transaction, interest charge shall be calculated as a product of cash value of securities in the first part of the repo transaction and applicable margin interest rate, adjusted for the repo term under Actual/360 day count convention. Repo transaction interest charge shall be added to the amount of the second part of Overnight REPO, deducted from the amount of the second part of the Overnight Reverse REPO or charged separately by BCS.

4.4 If Client's indebtedness is rolled over by means of currency swap, interest charge shall be calculated as a product of amount of currency of indebtedness in the first part of the currency swap and applicable margin interest rate, adjusted for the currency swap term under Actual/360 day count convention. Currency swap interest charge shall be added to the amount of currency of indebtedness in the second part of the currency swap or charged separately by BCS.

4.5 If Client's indebtedness is rolled over by means of Securities Lending or Securities Borrowing Transaction, interest charge shall be calculated as a product of related cash collateral or borrowed securities value and margin interest rate as applicable. Interest charges shall be deducted from the amount of cash collateral returned by BCS to the Client under the Overnight Securities Borrowing

Transactions, added to the amount of cash collateral the Client returns to BCS under the Overnight Securities Lending Transactions or charged by BCS separately. All interest charges are to be calculated under Actual/360 day count convention.

4.6 It should be noted that repo and securities lending and borrowing transactions executed by BCS for the Client may affect aggregated amount of depositary receipts on BCS accounts recorded by its clearing agents, within Euroclear System, which may lead to a larger total amount of Shareholders Servicing Fee charged for total quantity of depositary receipts in the account by the clearing agent per month. The Client shall reimburse BCS such increase in Shareholders Servicing Fee proportionally.

5. Order Execution

5.1. Unless otherwise agreed by the Parties, to activate Margin Account for the purposes of entering into Margin Transactions the Client shall transfer to BCS certain amount of monetary funds, securities or any other assets acceptable by BCS as Eligible Collateral. All funds and financial instruments transferred by the Client or otherwise credited to the Client's Margin Account with BCS, including those unrecognized as Eligible Collateral, shall be considered under security financial collateral arrangement to secure performance of Client's obligations under Transactions and under the Terms in general.

5.2. To execute Margin Transaction the Client shall submit relevant order to BCS by any acceptable communication means for submitting orders set out in the Terms.

5.3. Any order received from the Client shall be checked by BCS with respect to the requirements set by BCS, and, subject to order compliance with the said requirements, shall be transmitted for execution. However, BCS may decline any Client's order for entering into Margin Transaction, notwithstanding its compliance with the formal requirements of BCS, without giving any reason.

5.4. If execution of Client's order results in necessity for the Client to borrow an Asset to pay or deliver under the relevant Transaction, BCS shall debit Margin Account for the Assets paid or delivered and, if applicable, credit Margin Account for the Assets bought or received. As a result, negative Cash Balance or short Margin Position in related Margin Asset shall appear or grow in absolute value implying Client's emerged or increased indebtedness.

5.5. Unless otherwise decided by BCS for risk-management purposes due to specifics of Margin Account arrangement and/or Client's Margin status, the Client shall be entitled at any time to close any Margin Position in full or in part, i.e. to discharge in full or in part its Margin Account indebtedness by entering into Transactions and/or by means of transferring Assets to BCS for further credit to Client's Margin Account, and BCS shall accept related orders for execution.

5.6. The Client is obligated to control its Margin status and comply with the requirements set forth in the Terms. Specifically, the Client shall maintain Active Margin status in respect of all Margin Accounts of the Client with BCS.

5.7. BCS continuously controls valuations of Margin Positions and Margin status of the Client and, in case Client fails to fulfill its obligations under the Terms, may limit Client's trading activity at its discretion, liquidate Client's Margin Positions in full or in part and take any other actions as considered appropriate by BCS for risk-management purposes and to protect BCS other clients' and own interests.

5.8. BCS is entitled to unilaterally change Haircuts and/or the Margin List by notifying the Client one (1) business day prior to the change, unless such notification is considered impractical or delayed due to certain market conditions or other risk related considerations of BCS. If any such change results in Client's Margin status deterioration, the Client shall take actions to restore Client's Margin status so that it becomes Active.

5.9. Possibility to withdraw Assets from Margin Account is dependent on Client's Margin status assigned by BCS. Withdrawal of Assets by the Client is possible only in case and to the extent the Client's Margin status is 'Active' and if there are no other reasons preventing the withdrawal as determined by BCS. For the avoidance of doubt, if Client's margin status is 'Restricted', 'Margin Call' or 'Liquidation' then the Client is not entitled to withdraw Assets from any of Client's accounts with BCS.

5.10. The amount of Assets available for withdrawal by the Client is limited by the amount of Available Margin as defined herein below. Unless otherwise agreed by BCS, the Client shall not be entitled to withdraw Assets blocked to ensure settlement and/or clearing of Transactions, payment of commissions, fees, interest and other expenses or obligations related to the Services rendered to and arrangements made for the Client under the Terms. Unless otherwise agreed by BCS, the Client can only withdraw actually available on Client's account financial instruments or cash, i.e. BCS is not obliged to arrange funding or lending for execution of Client's withdrawal instructions and where BCS consents to such funding or lending the Client shall pay to BCS interest charges on related indebtedness and any additional commissions as may be separately agreed between the Client and BCS from time to time.

6. Margin Account parameters and characteristics

Unless otherwise agreed with BCS, the amount of Eligible Collateral requested by BCS with regard to Margin Account shall be calculated taking into consideration all sales and purchase Transactions entered into and not yet settled as at related moment of time based on the following formulae and logic:

Margin ratio ('R') shall be determined by BCS based on the following formula:

$$R = \frac{DC}{|MR|}, \text{ where}$$

DC is Discounted Collateral calculated as to below;

MR is Discounted Margin Requirement calculated as to below.

Margin status shall be assigned to the Client by BCS based on the relationship between margin ratio ranges and margin statuses presented in the table below, unless otherwise agreed with and/or notified by BCS. Margin ratio ranges and related parameters ('the thresholds') are subject to revision by BCS when considered necessary for risk-management purposes. BCS is entitled to unilaterally adjust Margin Account thresholds at any time giving notice to the Client prior to such adjustment.

Margin ratio ranges	Margin status
$R > 1$	Active
$0.95 < R \leq 1$	Restricted
$0.9 < R \leq 0.95$	Margin Call
$R \leq 0.9$	Liquidation

Discounted Collateral shall be calculated by BCS based on the following formulae:

$$DC = \sum_i^{Margin\ Securities} DiscLong_i + Positive(\sum_j^{All\ Currencies} DiscCurr_j), \text{ where}$$

$DiscLong_i$ is risk-adjusted evaluation of collateral (long position) in i^{th} Margin Security, which is calculated as follows:

$$DiscLong_i = Long_i * (1 - HC_i^{Long}), \text{ where}$$

$Long_i$ is market value of the long position in the i^{th} Margin Security calculated as follows:

$$Long_i = Positive(a_i) * LPrice_i, \text{ where}$$

a_i is quantity of the i^{th} Margin Securities in the long position;

$LPrice_i$ is the price of the last transaction or, if that is not available, the bid price, or, if that is not available, the closing price of the previous trading session, in the respect of the i^{th} Margin Security;

HC_i^{Long} is the Haircut determined by BCS for collateral (long positions) in the i^{th} Margin Security;

$DiscCurr_j$ is risk-adjusted evaluation of collateral or indebtedness in j^{th} currency calculated as follows:

$$DiscCurr_j = Negative(Curr_j * (1 + HC_j)) + Positive(Curr_j * (1 - HC_j)), \text{ where}$$

$Curr_j$ is the Cash Balance in the j^{th} currency;

HC_j is relevant Haircut determined by BCS for collateral and/or indebtedness in the j^{th} currency;

$Positive(x) = \max\{x, 0\}$;

$Negative(x) = \min\{x, 0\}$.

Discounted Margin Requirement shall be calculated by BCS based on the following formulae:

$$MR = \sum_i^{All\ Securities} DiscShort_i + Negative(\sum_j^{All\ Currencies} DiscCurr_j), \text{ where}$$

$DiscShort_i$ is risk-adjusted evaluation of indebtedness (short position) in the i^{th} Margin Security calculated as follows:

$$DiscShort_i = Short_i(1 + HC_i^{Short}), \text{ where}$$

$Short_i$ is non-positive¹ market value of the short position in the i^{th} Margin Security calculated as follows:

$$Short_i = Negative(b_i) * SPrice_i, \text{ where}$$

b_i is quantity of the i^{th} Margin Securities in the short position (represented by negative value);

$SPrice_i$ is the price of the last transaction or, if that is not available, the offer price, or, if that is not available, the closing price of the previous trading session, in respect of the i^{th} Margin Security;

HC_i^{Short} is the Haircut determined by BCS for indebtedness (short positions) in the i^{th} Margin Security.

Available Margin ('AM') is evaluation of the part of Margin Account Eligible Collateral that has not been blocked to secure fulfillment of orders, Margin Transactions or other obligations of the Client, and therefore can be used as Eligible Collateral for new Client's orders to enter into Margin Transactions and/or to open and maintain Margin Positions.

¹ Here and after all characteristics related to values of short positions and negative balances (indebtedness) are negative.

Available Margin is calculated as follows:

$$AM = DC - MR$$

Purchasing Capacity for the i^{th} Margin Security (' PC_i ') is calculated as follows:

$$PC_i = AM / HC_i - Blocked, \text{ where}$$

HC_i is applicable Haircut determined by BCS in respect of i^{th} Margin Security;

Blocked is consolidated value of assets (funds and financial instruments) blocked by BCS in respect of unexecuted orders and/or unsettled or incomplete transactions.

Maximum amount of loan (' $Loan_{max}$ ') which can be granted for the i^{th} Margin Security used as collateral is calculated as follows:

$$Loan_{max} = PC_i - AM$$

BCS may apply any other Margin Account limitations as considered necessary by BCS for risk-management purposes.

7. Margin Calls and Liquidations

7.1. When the Client reaches 'Margin Call' level BCS is entitled to request the Client to transfer Eligible Collateral to recover Client's Margin status to 'Active' level and the Client shall comply with the request.

7.2. The request to transfer Eligible Collateral shall be sent to the Client by any means of communication provided by the Terms for exchange of messages. In addition to the primary means of communication BCS may use at its own discretion any additional means of communication.

7.3. The fact of sending the request to transfer Eligible Collateral shall be registered by BCS. The fact of sending the request shall be considered a sufficient ground for the Client to take measures necessary to adjust the value of the margin ratio so that margin status becomes Active. Absence of confirmation of receipt of the request by the Client and/or denial to receive the notification shall not be considered a valid ground for non-execution of obligations to transfer Eligible Collateral or for breach of terms of their execution.

7.4. The request to transfer Eligible Collateral may specify the time by which Eligible Collateral is to be received by BCS, and failing such specification the Client shall transfer Eligible Collateral so that the same is received by BCS by 6 p.m. (Moscow time) on the day next following the day of request. For Margin Transaction on the currency market each request to transfer Eligible Collateral shall be fulfilled intraday not later than 30 minutes before market closing.

7.5. If BCS' request to transfer Eligible Collateral is not fully and timely fulfilled by the Client and the margin ratio remains in Liquidation range, the Client shall be assigned with margin status 'Liquidation'. In case Client's margin status is 'Liquidation', BCS shall have a right to liquidate without notice to the Client any of Client's Positions, perform any Transactions for Margin Account choosing Assets for that purpose at its own discretion, in the amount and to the extent necessary for Margin Account indebtedness to decrease, for margin ratio to increase and/or for Client's margin status to become 'Active'.

7.6. Actions directed to the liquidation of Client's Positions may include acquisition or realization of Assets at market prices, as the case may be.

7.7. BCS shall not be liable for any losses and/or damages suffered by the Client as a result of any action or inaction on behalf of BCS under the terms of this Section, including liquidation of Client's Positions.

7.8. The Client shall reimburse BCS for all expenses incurred by BCS with regard to liquidation of Client's Positions. BCS shall be entitled to retain the amounts of such expenses from the assets received as a result of acquisition and/or realization of any Client's Assets.

7.9. If, following complete liquidation of Client's Positions, there is indebtedness remaining on Client's account, such indebtedness, including accrued commissions, interest and other charges, shall be covered by the Client by means of transfer of assets in the appropriate amount to the account of BCS.

The parties may agree that any Net Exposure which may arise shall be eliminated not by Margin Transfers under the preceding provisions of this paragraph but by the repricing of Transactions under subparagraph 4.10. below, the adjustment of Transactions under subparagraph 4.11. below or a combination of both these methods.

4.10. Where the parties agree that a Transaction is to be repriced under this subparagraph, such repricing shall be effected as follows:

Such net cash sum shall be paid within the minimum period specified in subparagraph 4.7. above.

provided that, unless otherwise agreed between the parties, if Buyer or, as the case may be, the transferee has failed to make reasonable efforts to transfer the relevant Equivalent Securities or Equivalent Margin Securities prior to such Income Payment Date in circumstances where the proviso to subparagraph 5.2.(a) above or, as the case may be, subparagraph 5.2.(b) has been satisfied or where an Income Payment Date occurs after the Repurchase Date but before Equivalent Securities have been delivered to the Seller or, if earlier, the occurrence of an early Termination date or the termination of the Transaction under Clause 16.1.1. of the Section A of the Terms, then, instead of transferring or crediting the amount referred to in subparagraphs (a) and (b) of this subparagraph 5.4., Buyer or, as the case may be, the transferee shall indemnify Seller or, as the case may be, the transferor in respect of any cost, loss (including for the avoidance of doubt the amount of Income that would have been paid to Seller or, as the case may be, the transferor if it had been the holder of such Securities on such Income Payment Date) or damage (excluding, for the avoidance of doubt, any consequential loss or damage) suffered by such person which it would not have suffered had the relevant Equivalent Securities or Equivalent Margin Securities been transferred prior to such Income Payment Date.

5.5. Where Buyer or, as the case may be, the transferee is required by law to make any transfer or credit pursuant to subparagraphs (a) or (b) of subparagraph 5.4. above subject to withholding or deduction of taxes or duties, and as a result would, but for this subparagraph, be required to pay additional amounts under subparagraph 6.2. of this Section, unless otherwise agreed between the parties, it shall only be obliged to pay such additional amounts to the extent that it could, in the relevant circumstances, have avoided, satisfied or off-set the relevant obligation to withhold or deduct (or to account for the tax withheld or deducted) by utilising any available tax credit in respect of the relevant Securities (or transactions relating to them).

5.6. In relation to Purchased Securities or Margin Securities which are equities (and in respect of which Equivalent Securities or, as the case may be, Equivalent Margin Securities have not been transferred or a Cash Margin paid pursuant to subparagraph 4.8. above) Buyer, in the case of Purchased Securities, or the transferee, in the case of Margin Securities, shall notify the other party, within a reasonable time after the date on which a holder of such Securities would in the normal course have received such notice from the issuer, of any notice issued by the issuer of such Securities to the holders of such Securities relating to any proposed conversion, subdivision, consolidation, takeover, pre-emption, option or other similar right or event affecting such Securities or of any Income payment declared in respect of such Securities. Whether or not such notice is received from the first party, the other party may –

- a. where the relevant Securities are Purchased Securities, cause the Transaction to be terminated in accordance with subparagraphs 3.6. to 3.8. of this Section as if the Transaction were an on demand Transaction or, where the relevant Securities are Margin Securities, request that Equivalent Margin Securities be transferred in respect of such Securities to subparagraph 8.4. of this Section; and/or (as appropriate);
- b. within a reasonable time before the latest time for the exercise of the right or option give written notice to the first party that on redelivery of Equivalent Securities or Equivalent Margin Securities, as the case may be, it wishes to receive Equivalent Securities or Equivalent Margin Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice; provided that if any sum is required to be paid by a holder of the securities to the issuer or any other person in order to exercise such rights, the other party shall pay to the first party an amount equal to such sum.

5.7. Subject as otherwise provided in this Section or as otherwise agreed between the parties, where the Income paid or distributed by the issuer of Purchased Securities or Margin Securities is not in the form of money but is in the form of other property, the obligation of a party under paragraph 5 to pay to the other party an amount equal to the amount paid by the issuer shall be construed as an obligation to transfer property equivalent to that distributed by the issuer.

5.8. Where any voting rights fall to be exercised in relation to any Purchased Securities or Margin Securities which are equities and in respect of which Equivalent Securities or, as the case may be, Equivalent Margin Securities have not been transferred or a Cash Margin has not been paid pursuant to subparagraph 4.8. above, neither Buyer, in the case of Purchased Securities, nor the transferee, in the case of Margin Securities, shall have any obligation to arrange for voting rights of that kind to be exercised in accordance with

the instructions of the other party in relation to such Purchased Securities or Margin Securities, unless otherwise agreed between the parties.

6. Payment and Transfer

6.1. Unless otherwise agreed, all money paid hereunder shall be in immediately available freely convertible funds of the relevant currency. All Securities to be transferred hereunder (i) shall be in suitable form for transfer and shall be accompanied by duly executed instruments of transfer or assignment in blank (where required for transfer) and such other documentation as the transferee may reasonably request, or (ii) shall be transferred through any agreed book entry or other securities clearance system or (iii) shall be transferred by any other method mutually acceptable to the Seller and the Buyer.

6.2. Unless otherwise agreed, all money payable by one party to the other in respect of any Transaction shall be paid free and clear of, and without withholding or deduction for, any taxes or duties of whatsoever nature imposed, levied, collected, withheld or assessed by any authority having power to tax, unless the withholding or deduction of such taxes or duties is required by law. In that event, unless otherwise agreed, the paying party shall pay such additional amounts as will result in the net amounts receivable by the other party (after taking account of such withholding or deduction) being equal to such amounts as would have been received by it had no such taxes or duties been required to be withheld or deducted.

6.3. Seller shall promptly pay and account for any transfer or similar duties or taxes chargeable in connection with the transfer of Purchased Securities which are equities and any Equivalent Securities in respect thereof and shall reimburse to Buyer the amount of any liability incurred by it as a result of Seller's failure to do so. Where Margin Securities which are equities are transferred by one party to the other, the transferor (the first party) shall promptly pay and account for any transfer or similar duties or taxes chargeable in connection with such transfer as well as in connection with any subsequent transfer by the transferee (the second party) of Equivalent Margin Securities in respect thereof to the first party and shall reimburse to the second party the amount of any liability incurred by the second party as a result of the first party's failure to do so.

6.4. Unless otherwise agreed in writing between the parties, under each Transaction transfer of Purchased Securities by the Seller and payment of Purchase Price by the Buyer against the transfer of such Purchased Securities shall be made simultaneously and transfer of Equivalent Securities by the Buyer and payment of Repurchase Price payable by the Seller against the transfer of such Equivalent Securities shall be made simultaneously.

6.5. Subject to and without prejudice to the provisions of subparagraph 6.4., either party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities and money waive in relation to any Transaction its rights under this Section to receive simultaneous transfer and/or payment provided that transfer and/or payment shall, notwithstanding such waiver, be made on the same day and provided also that no such waiver in respect of one Transaction shall affect or bind it in respect of any other Transaction.

6.6. Unless otherwise agreed, where any Purchased Securities, Equivalent Securities, Margin Securities or Equivalent Margin Securities which are equities are transferred through a settlement system which automatically generates a mandatory payment or delivery, or a mandatory obligation to pay or deliver, against the transfer of such Securities, then –

- a. such automatically generated payment, delivery or obligation shall be treated as a payment or delivery by the transferee to the transferor, and except to the extent that it is applied to discharge an obligation of the transferee to effect a payment or delivery, such payment or delivery, or obligation to pay or deliver, shall be deemed to be a Margin Transfer made by the transferee; and
- b. unless the parties shall have agreed otherwise, the party receiving such Margin Transfer shall cause to be made to the other party for value the same day either, where such Margin Transfer is a payment, an irrevocable payment in the amount of such Margin Transfer or, where such Margin Transfer is a delivery, an irrevocable delivery of Securities (or other property, as the case may be) equivalent thereto.

6.7. The parties shall execute and deliver all necessary documents and take all necessary steps to procure that all right, title and interest in any Purchased Securities, any Equivalent Securities, any Margin Securities and any Equivalent Margin Securities shall pass to the party to which transfer is being made upon transfer of the same in accordance with this Section free from all liens (other than a lien granted to the operator of the clearance system through which the Securities are transferred), claims, charges and encumbrances. Notwithstanding the use of expressions such as 'Repurchase Date', 'Repurchase Price', 'margin', 'Net Margin', 'Margin Ratio' and 'substitution', which are used to reflect terminology used in the market for transactions of the kind provided for in this Section, all right, title and interest in and to Securities and money transferred or paid under this Section shall pass to the transferee upon transfer or payment, the obligation of the party receiving Purchased Securities or Margin Securities being an obligation to transfer Equivalent Securities or Equivalent Margin Securities.

6.8. Time shall be of the essence in this Section.

6.9. Subject to Clause 16 of the Section A of the Terms, all amounts in the same currency payable by each party to the other under any Transaction or otherwise under this Section on the same date shall be combined in a single calculation of a net sum payable by one party to the other and the obligation to pay that sum shall be the only obligation of either party in respect of those amounts.

6.10. Subject to Clause 16 of the Section A of the Terms, all Securities of the same issue, denomination, currency and series, transferable by each party to the other under any Transaction or hereunder on the same date shall be combined in a single calculation of a net quantity of Securities transferable by one party to the other and the obligation to transfer the net quantity of Securities shall be the only obligation of either party in respect of the Securities so transferable and receivable.

7. Contractual Currency

7.1. All the payments made in respect of the Purchase Price or the Repurchase Price of any Transaction shall be made in the Contractual Currency. Notwithstanding the foregoing, the payee of any money may, at its option, accept tender thereof in any other currency, provided, however, that, to the extent permitted by applicable law, the obligation of the payer to pay such money will be discharged only to the extent of the amount of the Contractual Currency that such payee may, consistent with normal banking procedures, purchase with such other currency (after deduction of any premium and costs of exchange) for delivery within the customary delivery period for spot transactions in respect of the relevant currency.

7.2. If for any reason the amount in the Contractual Currency received by a party, including amounts received after conversion of any recovery under any judgment or order expressed in a currency other than the Contractual Currency, falls short of the amount in the Contractual Currency due and payable, the party required to make the payment will, as a separate and independent obligation, to the extent permitted by applicable law, immediately transfer such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall.

7.3. If for any reason the amount in the Contractual Currency received by a party exceeds the amount of the Contractual Currency due and payable, the party receiving the transfer will refund promptly the amount of such excess.

8. Substitution

8.1. A Transaction may at any time between the Purchase Date and Repurchase Date, if the Seller so requests and the Buyer so agrees, be varied by the transfer by the Buyer to the Seller of Securities equivalent to the Purchased Securities, or to such of the Purchased Securities as shall be agreed, in exchange for the transfer by the Seller to the Buyer of other Securities of such amount and description as shall be agreed ('New Purchased Securities') (being Securities having a Market Value at the date of the variation at least equal to the Market Value of the Equivalent Securities transferred to the Seller).

8.2. Any variation under subparagraph 8.1. above shall be effected, subject to subparagraph 6.5., by the simultaneous transfer of the Equivalent Securities and New Purchased Securities concerned.

8.3. A Transaction which is varied under subparagraph 8.1. above shall thereafter continue in effect as though the Purchased Securities under that Transaction consisted of or included the New Purchased Securities instead of the Securities in respect of which Equivalent Securities have been transferred to Seller.

8.4. Where either party has transferred Margin Securities to the other party it may at any time before Equivalent Margin Securities are transferred to it under paragraph 4 request the other party to transfer Equivalent Margin Securities to it in exchange for the transfer to the other party of new Margin Securities having a Market Value at the time at which the exchange is agreed at least equal to that of such Equivalent Margin Securities. If the other party agrees to the request, the exchange shall be effected, subject to subparagraph 6.5., by the simultaneous transfer of the Equivalent Margin Securities and new Margin Securities concerned. Where either or both of such transfers is or are effected through a settlement system in circumstances which under the rules and procedures of that settlement system give rise to a payment by or for the account of one party to or for the account of the other party, the parties shall cause such payment or payments to be made outside that settlement system, for value the same day as the payments made through that settlement system, as shall ensure that the exchange of Equivalent Margin Securities and new Margin Securities effected under this subparagraph does not give rise to any net payment of cash by either party to the other.

2. General

2.1. Subject to the Terms of this Section, the Buyer and the Seller may from time to time enter into Transactions in which the Seller agrees to sell to the Buyer Securities as defined below against the payment of the Purchase Price by the Buyer to the Seller ('Transaction'). A Transaction may be entered into orally or in writing at the initiation of either Buyer or Seller.

2.2. Upon agreeing to enter into a Transaction hereunder BCS shall promptly send to the Client a written confirmation of such Transaction (a 'Trade Confirmation'). If the Client fails to object to or request a correction of a Trade Confirmation sent by BCS within twenty four (24) hours upon dispatch, that Trade Confirmation shall be deemed accepted by the Client and such failure shall not affect the validity or enforceability of that Trade Confirmation for the Transaction. The Client shall not be entitled to claim the Transaction void and refuse to perform its obligations there under on the grounds, that it has not received the Trade Confirmation due to any reasons whatsoever. A Trade Confirmation (or an amended Trade Confirmation, as the case may be), once not objected by the Client shall be conclusive evidence of the related Transaction and shall supersede all prior oral statements with respect hereto. BCS may at the sole option of BCS, incorporate any Trade Confirmation into the relevant Client's Account Statement.

2.3. Trade Confirmation shall identify Buyer and Seller and contain the following information:

- (i) the Securities (including CUSIP or ISIN or other identifying number or numbers, if any) and quantity thereof;
- (ii) the Trade Date;
- (iii) the Purchase Price;
- (iv) the Payment Date and Delivery Date. Should the said dates be the same, the Transaction shall be settled DVP, unless otherwise expressly agreed between the parties in the Trade Confirmation;
- (v) the details of the bank/custody account(s) of the parties; and
- (vi) any additional terms or conditions of the Transaction, if any.

2.4. A Trade Confirmation shall, together with this Section and the Terms of Business, constitute a prima facie evidence of the terms agreed between Buyer and Seller for that Transaction, unless objection is made with respect to the Trade Confirmation in accordance with subparagraph 2.2. of this Section.

2.5. In respect of any Transaction, the terms of this Section, the Terms of Business and the Trade Confirmation shall together constitute a single, integrated agreement between the parties. In the event of any conflict between the terms of this Section and the Terms of Business, this Section shall prevail. In the event of any conflict between the terms of this Section and the Trade

Confirmation, the Trade Confirmation shall prevail. Accordingly, each party agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Transactions hereunder, and (ii) that payments, deliveries and other transfers made by either of them in respect of any Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder.

2.6. The Seller shall procure the delivery of Securities or deliver such Securities to the Buyer or its agent on the Delivery Date in accordance with the terms of this Section and the relevant Trade Confirmation. The Securities shall be fully paid for and there shall be no moneys or liabilities outstanding or payable in respect of such Securities as of the Trade Date for such Securities. The parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in any Securities shall pass from the Seller to the Buyer subject to the terms and conditions set out in this Section, on delivery of the same in accordance with this Section with full title guarantee, free from all liens (other than a lien granted to the operator of the clearance system through which the Securities are transferred), charges and encumbrances. In the case of Securities title to which is registered in a computer-based system which provides for the recording and transfer of title to the same by way of book entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

2.7. The Buyer shall transfer the full amount of the Purchase Price to the Seller on the Payment Date. The Purchase Price for debt Securities shall include, where appropriate, accrued coupon yield determined in accordance with the offering memorandum or a similar Securities' offering document, unless otherwise agreed.

2.8. DVP will be standard for all Transactions unless otherwise agreed between BCS and the Client in the Trade Confirmation. Delivery and payment shall be made simultaneously on the third day following the Trade Date (and if not a Business Day on the next following Business Day), however, the Client and BCS may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities and money agree to transfer funds and the Securities not simultaneously and the delivery and payment are to be made and credited at the relevant Settlement Dates specified in the Trade Confirmation. In case of non-DVP settlement, should the Buyer fail to pay the Purchase Price or the Seller fail to transfer the Securities on the Settlement Date scheduled for such payment or transfer, the non-defaulting party may hold performance until the obligations of the other party under the Transaction are fully discharged and may claim interest in accordance with paragraph 6 hereof.

3. Income Payment and Corporate Actions

3.1. Unless otherwise agreed between the parties in writing,

- (i) where the period from and including the Trade Date to and excluding the Settlement Date of a particular Transaction extends over a Record Date and the Income Payment Date is beyond such a period, in respect of any Securities subject to that Transaction, the Seller shall on the date such Income is paid by the issuer or on such other date as the parties may from time to time agree pay or deliver to the Buyer such some of money or property as is agreed between the parties or, failing such agreement, a sum of money or property equivalent to (and in the same currency as) the type and amount of such Income received; provided that
- (ii) where Income is paid in relation to any Securities before the relevant Delivery Date such Income will not be transferred from the Seller to the Buyer until the Delivery Date; and
- (iii) for the avoidance of doubt, BCS shall not be liable for any withholding or deduction for or on account of taxes or duties made by the issuer or a paying agent notwithstanding that a payment of such Income made directly to the Client could be free of any withholding or deduction.

3.2. The Seller's obligation to transfer Income to the Buyer arises upon actual receipt of such Income provided that the Seller has used reasonable endeavors to receive the Income. The Seller is not obligated to enforce the payment of Income.

3.3. In case of non-DVP settlement the Seller shall notify the Buyer in writing within a reasonable time after the date on which a holder of such Securities would in the normal course have received such notice from the issuer, of any notice issued by the issuer of such Securities to the holders of such Securities relating to the rights attached thereto on or after the Trade Date and before the Settlement Date, including of any proposed conversion, sub-division, consolidation, takeover, pre-emption, option or other similar right or event affecting such Securities or of any Income payment declared in respect of such Securities. Where, the period from and including the Trade Date to and excluding the Settlement Date of a particular Transaction extends over a Record Date in respect of any voting rights the Seller shall be obligated to arrange for voting rights of that kind to be exercised in accordance with the instructions of the Buyer in relation to the Securities, unless otherwise agreed. Where, the period from and including the Trade Date to and excluding the Settlement Date of a particular Transaction extends over a Record Date in respect of any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer, rights to receive securities or a certificate which may at a future date be exchanged for securities or other rights, including those requiring election by the holder for the time being of such Securities, then the Buyer may within a reasonable time before the relevant Record Date give written notice to the Seller

it wishes to receive Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

4. Payment and Transfer

4.1. All money payable by one party to the other in respect of any Transaction shall be paid in immediately available freely convertible funds of the relevant currency free and clear of, and without withholding or deduction for, any taxes or duties of whatsoever nature imposed, levied, collected, withheld or assessed by any authority having power to tax, unless the withholding or deduction of such taxes or duties is required by law.

4.2. All Securities to be transferred hereunder (i) shall be in suitable form for transfer and shall be accompanied by duly executed instruments of transfer or assignment in blank (where required for transfer) and such other documentation as the transferee may reasonably request, or (ii) shall be transferred through the book entry system of the Clearing Agency, or (iii) shall be transferred through any other agreed securities clearance system or (iv) shall be transferred by any other method mutually acceptable to the Seller and the Buyer.

4.3. Performance shall be deemed satisfied if the Seller, instead of the initial Securities purchased by the Buyer, delivers:

- (i) in the case of redemption, a sum of money equivalent to the proceeds of the redemption;
- (ii) in the case of a call on partly paid securities, securities equivalent to the paid-up securities provided that the Buyer shall have paid to the Seller a sum of money equal to the sum due in respect of the call;
- (iii) in the case of a capitalisation issue, Securities together with the securities allotted by way of bonus thereon;
- (iv) in the case of conversion, sub-division or consolidation, securities into which the relevant Securities have been converted, sub-divided or consolidated; provided that, if appropriate, notice has been given in accordance with subparagraph 3.3. above;
- (v) in the case of takeover, a sum of money or securities equivalent to the consideration or alternative consideration of which notice has been given in accordance with subparagraph 3.3. above;
- (vi) in the case of a rights issue, Securities together with the securities allotted thereon; provided that notice has been given to the other party in accordance with subparagraph 3.3. above;
- (vii) in the event that income in the form of securities, or a certificate which may at a future date be exchanged for securities or an entitlement to acquire securities is distributed, Securities together with securities or a certificate or an entitlement equivalent to those allotted; provided that notice has been given in accordance with subparagraph 3.3. above;
- (viii) in the case of any event similar to any of the foregoing, Securities together with or replaced by a sum of money or Securities or other property equivalent to (as so defined) that received in respect of such Securities resulting from such event.

4.4. The Seller represents that the Securities are duly and fully paid for and there are no liabilities due or payable in respect of the Securities or any portion thereof at the Delivery Date except for the obligation to sell these to the Buyer, and at the moment of registration of the Securities in the name of the Buyer or its agent, the Seller is the sole owner of the Securities and has good and valid title in the Securities, free of any claim, charge, security, lien (other than a lien granted to the operator of the clearance system through which the Securities are transferred), power of sale and/or any encumbrances whatsoever and the Seller has full and undoubted right to dispose of the Securities, including, without any limitations, sell, transfer or deliver to the Buyer on the terms and conditions of this Section and the Transaction.

4.5. Time shall be of essence in this Section.

4.6. All costs and expenses incurred by the party and paid to a bank, custodian, depository or registrar in connection with performance of such party's obligation to pay money or deliver the Securities (the 'Transaction Costs'), cannot be charged by that party from another subject to exceptional cases specified herein.

5. Currency of Payments

5.1. All the payments made in respect of or connection with the Transaction shall be made in the currency of the Purchase Price (the 'Contractual Currency'). Notwithstanding the foregoing, the payee of any money may, at its option, accept tender thereof in any other currency, provided, however, that, to the extent permitted by applicable law, the obligation of the payer to pay such money will be discharged only to the extent of the amount of the Contractual Currency that such payee may, consistent with normal banking procedures, purchase with such other currency (after deduction of any premium and costs of exchange).

5.2. If for any reason the amount in the Contractual Currency received by a party, including amounts received after conversion of any recovery under any judgment or order expressed in a currency other than the Contractual Currency, falls short of the amount in the Contractual Currency due and payable, the party required to make the payment will, as a separate and independent obligation, to

the extent permitted by applicable law, immediately transfer such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall.

5.3. If for any reason the amount in the Contractual Currency received by a party exceeds the amount of the Contractual Currency due and payable to the extent such amount is in excess of normal banking expenses relating to funds transfers, the party receiving the transfer will refund promptly the amount of such excess and the banking costs shall be paid by the other party.

6. Interest

6.1. If any sum of money payable hereunder or under any Transaction is not paid when due or any amount of Securities deliverable hereunder or under any Transaction is not transferred when due, or a party holds money due and payable to the other party without any reasonable grounds, interest shall accrue on the unpaid sum or the Purchase Price of the Securities as a separate debt, and

- (i) should the currency of the amount due be US Dollars or the Securities due are denominated in US Dollars, at the annual rate calculated as LIBOR + 5%; or
- (ii) should the currency of the amount due be Euro or the Securities due are denominated in Euro, at the annual rate calculated as EONIA + 5%; or
- (iii) should the currency of the amount due be not US Dollar or Euro, at the annual rate 18% of the unpaid sum under Actual/360 day count convention.
