CBOE and other US option trading venues	N/a	1.5 USD per contract	N/a	N/a	N/a

* For additional information on minimum monthly fee for access to brokerage services please refer to section 8

¹ This Tariff relates to trading on Russian markets, LSE and American markets. Minimum amount for selection of this Tariff plan shall be not less than 50,000 USD (or its equivalent).

² All commissions and fees are exclusive of exchange fees, other fees, duties and taxes whatsoever, connected with execution of the order and/or transaction which shall be paid by Client additionally.

³ Monthly maintenance fee for WebQUIK system is 300 Russian Rubles or 4 USD, monthly maintenance fee for PocketQuik (iQuik X /Quik Android X system) is 200 Russian Rubles or 3 USD for each type. BCS shall debit Client account for a monthly maintenance fee on the first business day of the month or on the date on which the trading terminal has been connected.

⁴ The amount of T+N Transaction executed at any date (except for negotiated T+N Transactions, in accordance with TS Rules) shall be included in the total turnover in respect of trades on executed on that date.

⁵ Commission for mandatory closure of Client's position is equal to 0.1% of the closing position's turnover.

⁶ Provided that at least one transaction has been executed within the period.

⁷ Collateral liquidity ratio is 0,5. Commission for mandatory closure of Client's position in contract is 2 RUB per one contract.

⁸ The minimum fee per order is charged by BCS in case if least one trade has been made upon such order.

⁹ The minimum amount of your aggregate balance at the time of providing initial and (or) reconnect access to E-facility (as defined in the Schedule B: Electronic Services) shall be greater than or equal USD 50 000 (or equivalent in other currency) whereas such calculation of aggregate balance shall not include structured products (as defined in Schedule I: Structured Products) and Eurobonds as well as securities with no market value. In case the indicated calculation of your aggregate balance at the beginning of the trading day preceding the last business day of any given month lower than USD 1 000 (or equivalent in other currency), whereas such calculation of aggregate balance shall not include structured products (as defined in Schedule I: Structured Products) and securities with no market value. BCS is entitled to terminate the provision of access to E-Facility.

1.2. Tariff plan “BCS Voice Trading”¹

Minimum amount for selection of the Tariff plan shall be not less than 50 000 USD or its equivalent. For the purposes hereof the Value of Client’s Assets shall be determined as: the Value of Client’s Assets = Cash Assets + Securities, where

(i) Cash assets – shall mean the amount of cash assets transferred by Client from its bank account with financial institution to the account with BCS, with the exceptions of Collateral for derivatives and T+N Transaction; and

(ii) Securities – shall mean the value of Russian securities reserved for execution in one of the trading systems and are not collateral for derivatives and the value of non- Russian securities reserved for execution in one of the trading systems at the end of the trading day.

The value of Russian securities shall be valued at a price of a last purchase transaction of these securities at close of a trading provided by a market operator. The value of non-Russian securities shall be valued at the price of a last transaction of these securities at close of a trading day on non-Russian markets (LSE IOB, NYSE, NASDAQ, and NYSE MKT), the said information is provided by the third parties in accordance with agreement and/or by the Bloomberg information system.

If Client’s Assets on the broker’s account are less than 75% of the Value of the Client’s Assets on the date of the selection of the Tariff plan, BCS is entitled to block the provision of services to Client until the Client’s Assets become more than 75% of the Value of the Client’s Assets at the date of the selection of the Tariff plan.

If the Value of the Client’s Assets is valued at the price of less 100 000 USD on a last trading day of the reporting month, BCS is entitled to provide services in accordance with the Tariff plan «BCS Professional» from the first day of the month following the reporting. If the Client disagrees with conditions of the Tariff plan «BCS Professional» Client may choose another tariff plan specified in this Schedule pursuant to the terms and procedures set forth in the Terms of Business and this Schedule. BCS in its reasonable discretion has a right to refuse to provide services in accordance with this Tariff plan if the Client’s Assets is less than 100 000 USD.

* For additional information on minimum monthly fee for access to brokerage services please refer to section 8

¹ This Tariff relates to trading on Russian currency market.

² Commission for mandatory closure of Client's position is equal to 0.1% of the closing position's turnover.

General provisions:

Fees for the reception and transmission of clients' orders on the FX Market of Moscow Exchange submitted through the electronic system is charged as a percentage of the Daily Turnover.

For the purposes of this Tariff plan the Daily Turnover means an amount of all transactions (except for swap transactions) executed on the Moscow Exchange's FX Market during a trading day. Fees for the reception and transmission of clients' orders on the FX Market of Moscow Exchange submitted by phone is charged in the form of a fixed fee per Order depending on the Order amount.

For the purposes of this Tariff plan the Order amount means an amount of Client's order for entering into a transaction for the purchase or sale of ONE financial instrument with the ONE settlement date on the FX Market of the Moscow Exchange.

Where a volume of an order for entering into a spot transaction on FX Market of Moscow Exchange **is less than 50 lots**, the fees for the reception and transmission of such order shall be charged at a fixed rate of RUB25 (VAT included) less the amount of settlement commission, provided that the minimum amount of such fees shall be zero.

Where a volume of an order for entering into a swap transaction on FX Market of Moscow Exchange **is less than 50 lots**, no fees shall be charged.

The commission for the reception and transmission of client's orders for entering into swap transactions on the FX market of Moscow Exchange shall be debited by BCS from Client's account on the date when the first transaction during the period is entered into.

The commission of BCS charged hereunder, **does not include any fees, commissions, charges of exchanges, including fees for the provision of integrated technology services, and fees, commissions, charges of clearing organizations.**

¹ Minimum Value of Client's Assets required to be provided with services for OTC transactions is USD 50,000 or its equivalent in other currency. This provision for Minimum Value of Client's Assets applies only to Clients who have entered into Terms of Business with BCS not earlier than 26 August 2022. **Value of Client's Assets** means a sum of Client's funds and securities, where Client's funds shall mean any funds available on Client's account with BCS less any amounts due under the transactions of Client and any amount of collateral under the derivative transactions and other transactions of Client, and Client's securities shall mean the value of any securities available on Client's account, except for those reserved for settlement of Client's transactions and those forming part of collateral under derivatives or other transactions, as of the end of trading. Minimum Value of Client's Assets is determined according to the information in an Account Statement or in a Trade Report (as might be applicable) for the reporting day immediately preceding the day of providing services for OTC transactions. BCS is entitled to refuse to take or act under any order or instruction or enter into any particular transaction or cancel your open order regarding an OTC Transaction, if Minimum Value of Client's Assets is less than USD 50,000.

² Commission on OTC transactions in Eurobonds is charged from the transaction amount excluding the accrued interest.

³ Eurobonds (LPN, CLN, etc.) of Russian issuers, with Russian borrower or with Russian guarantor.

⁴ Eurobonds (LPN, CLN, etc.) of Belarusian issuers, with Belarusian borrower or with Belarusian guarantor.

7. Extra Fees for Execution of Voice Orders

Market	Volume of Order	Commission ¹
MOEX	< 50 000 RUB	59 RUB
	50 001 – 100 000 RUB	29.5 RUB
	> 100 000 RUB	Free of Charge
MOEX Classica	N/a	Free of Charge
FORTS	< 250 000 RUB	59 RUB
	250 001 – 500 000 RUB	29.5 RUB
	> 500 000 RUB	Free of Charge

8. Monthly Minimum fee for brokerage services

Minimum monthly fee for access to brokerage services as specified above is USD 7. If brokerage commissions were paid in different currencies, the total amount of commissions paid shall be converted in USD per exchange rate of the Central Bank of Russia determined on the first business day of each calendar month. If client has funds nominated in different currencies, BCS shall debit Client's account in this order: USD, RUB, EUR, GBP, CAD, SEK, CHF, HKD, JPY.

BCS shall debit Client's account for a fee on the first business day of each calendar month reduced by the amount of brokerage commissions (including those specified in section 6. "OTC Transactions" and 7. "Extra Fees for Execution of Voice Orders") already paid in the previous month. If total amount of commissions paid in the previous month exceeds USD 7, no additional fee shall be imposed. Maintenance fees, exchange fees, clearing fees, other fees, duties and taxes shall not be taken into account when establishing the total amount of commissions paid by Client. In case of insufficient funds in Client's account BCS shall debit Client's account only for the funds available. The fee accrued and not paid in the previous months shall be withdrawn once the Client credits his account. In case of termination pursuant to section 15 of the Terms of Business (as amended from time to time), the fee applied may not exceed balance of Client's account on the date of termination.

Minimum monthly fee shall be applied with effect from the second calendar month after adoption of this fee schedule or after conclusion of a brokerage contract with a new Client.

II. OTHER SERVICES

1. Securities held with the Russian depositories

Type of Service	Fee (RUR)
Opening custody account	Free of charge
Internal and inter-depository securities transfers (excluding service fees charged by counter-party depository and re-registration fees) ¹	150 per instruction
Inward/outward securities transfer to/out of the trading section of a custody account	Free of charge
Custody account maintenance (provided at least one account operation has been executed)	150 per month
Securities safekeeping	100 000 ² or in the amount of balance of the Client's account

¹ No fee is charged for the outward transfer of the securities held in the account specifically designated for holding the unclaimed client assets if the amount of cash held in the account by BCS on the behalf of the respective former client is less than the amount of the fee.

² In the absence of funds in RUR for payment of the fee for the securities safekeeping, BCS may charge the indicated fee in the amount of 2 000 USD or 2 000 EUR depending on the availability of relevant currency in the Client's account.

2. Securities held with Euroclear or DTC¹

Type of Service	Fee (USD)
Amending/Cancelling an instruction ²	30
Non-trading instruction (excluding corporate actions) ³	25

¹ Excluding service related costs and/or payments to third parties such as banks, depositories, custodians, registers, etc. which BCS may incur and/or make acting on behalf of Client in accordance with the provisions of the custody services agreement and applicable market practices or otherwise, unless otherwise agreed by the Parties. BCS reserves the right to change these fees in case it bears higher costs due to changes in tariffs of institutions providing relevant services to BCS such as banks, settlement and clearing companies, etc.

² Fee is charged for each issue of securities. No fee is charged for amending the outward transfer instruction in respect of the securities held in the account specifically designated for holding the unclaimed client assets if the amount of cash held in the account by BCS on the behalf of the respective former client is less than the amount of the fee.

³ Fee is charged for each issue of securities. In the absence of sufficient monetary funds for payment of the fee indicated above, the instruction for withdrawal of financial instrument(s) may not be accepted. No fee is charged for the outward transfer of the securities held in the account specifically designated for holding the unclaimed client assets if the amount of cash held in the account by BCS on the behalf of the respective former client is less than the amount of the fee.

3. Maintenance of Client's portfolio held at Euroclear, Interactive Brokers and other custody

3.1. Monthly portfolio maintenance fee shall be 0,025 % of total market value of all Financial Instruments held with Euroclear, DTC and other custody at the end of the month denominated in U.S. Dollar.

3.2. Monthly Eurobonds maintenance fee shall be 0,025 % of total market value at the end of the month, but if there are no quotes for the last 30 days from the settlement date or there were none at all, the settlement is based on the nominal value of the securities.

3.3. Monthly portfolio maintenance fee shall be 1 % of total market value of all Financial Instruments held with Interactive Brokers at the end of the month denominated in U.S. Dollar.

4. Security lending rates¹ for permission to use assets

The annual fee for the use of assets is 0.05% of the market value of all used customer assets, paid daily at 0.05% / 365 (366 in the case of a leap year)

¹ If Client gave permission for use of assets, but BCS did not use them security lending rates shall not be paid to Client.

5. Extra Services

Type of Service	Fee ¹
Assistance in depositary receipts issuance /cancellation (including change of level)	0.2% of the market value of converted securities ² (100 USD minimum fee, 500 USD maximum fee)
Processing of application in respect of participation in corporate actions (incl. buy-back, subscription offer, preemption right, mandatory/voluntary tender offer, voting on General Meeting) ³ .	0.1% of the amount of transaction ⁴ , if applicable (but USD 250 min)

¹ All fees are exclusive any and all necessary payments made by BCS to third parties. Client hereby guarantees to BCS full reimbursement of any such payment.

² For this purpose market value shall be calculated on the closing price of the previous trading session on an organized market where the securities are normally traded.

³ Fee shall be charged at the moment client's application to participate in corporate action is processed by BCS. BCS reserves the right to suspend processing of application to participate in corporate action in case of insufficient funds to charge the fee until the account replenishment. If actions specified in Client's application are not performed because of reasons or circumstances outside BCS' control (including, but not limited to, absence of necessary quorum, or consent, cancellation of action by an agent, etc.) fee charged is not subject to return.

⁴ Amount of transaction shall be calculated: in case of a buy-back or tender offer – as a price multiplied by quantity of securities (excluding accrued interest); in case of an exchange offer – as a market value of securities credited to the account In case there is no credit of cash or securities resulting from Corporate Action according to its terms, the amount of transaction is calculated as a market value of securities mentioned in Application to participate in Corporate Action.

Market value shall be determined by BCS based upon the closing price of the previous trading session on an organized market or OTC market quotations depending on where the securities are normally traded. In case there is no market value available nominal value is applied. In case there is no market and nominal value - USD 250 (min fee) shall be charged.

6. Transfer of Monetary Funds from the bank accounts and accounts of third parties (outward and internal within the Client's account with BCS)^{3,5}

Third Parties' Name	Fee
Sova Capital Limited ²	25 USD for each transfer
R.J.O'Brien ²	25 USD for each transfer
ARDSHINBANK CJSC ³	150 USD/EURO for each transfer
First Abu Dhabi Bank ⁴	30 USD/EUR per each transfer

¹ Unless provided otherwise by BCS, if any bank charges are incurred in relation to the transaction or service associated with a transfer from an account opened by BCS with a bank or any third party for clients' funds, the Client will be responsible for paying those charges in addition to any other fees or costs under this Schedule. These bank charges may include other transaction-related fees charged by any intermediary banks involved in the transaction.

²Should the currency of such transfer differ from U.S. Dollar, the amount of fee due to BCS remains the same, but it should be converted into the currency of transfer at the CBR exchange rate in effect as at the transfer date.

³ Fee is withheld from the amount of transfer in the currency of the transfer. Only transfers in USD and EUR may be executed. Charges of ARDSHINBANK CJSC paid by BCS in connection with the transfer are covered by the respective fee.

⁴ Fee is withheld from the amount of transfer in the currency of the transfer. Only transfers in USD and EUR may be executed. Actual charges, deducted by First Abu Dhabi bank, are borne by BCS. The client pays only BCS fee established herein.

⁵ Before submitting an instruction please check the procedure for the transfer from the particular bank or the third party by referring to the Clients' Guide which is available on our website or by contacting us.

7. Currency exchange for trading in financial instruments

Commission¹ – 0.3% of the amount of currency that you buy

¹ Unless provided otherwise by BCS, if any bank charges are incurred in relation to the transaction or service associated with a transfer from an account opened by BCS with a bank or any third party for clients' funds, the Client will be responsible for paying those charges in addition to any other fees or costs under this Schedule. These bank charges may include other transaction-related fees charged by any intermediary banks involved in the transaction.

8. Market Data services

Region	Exchange / Services and subscriptions		Amount of subscription fee per month	Trade Terminal	
USA	US Market Data	NASDAQ Basic provided by NASDAQ OMX Group Inc. (Nasdaq Stock Market; New York Stock Exchange; NYSE American)	Private (Non-Professional) Subscriber	1 USD	Quik, PocketQuik iQuik X /Quik Android X system)
